# DEBATE ON TARIFF.

CHAIRMAN DINGLEY LEADS OFF FOR THE REPUBLICANS.

Signed by All the Democratic Members of the Ways and Means Committee-Charge That the Bill Encourages Extravagance and Fosters Trusts.

WASHINGTON, March 23 .- The first day of the tariff debate in the house was rather tame, both from a spectacular and an oratorical standpoint. The galleries were well filled all day and the members on the floor listened conscientiously, but there was an absence both of that sharp cross firing which keeps the nerves on edge and that brilliant eloquence which inspires and holds the imagination. The opening of the debate was delayed over two hours by the

The report was signed by all the Democratic members of the ways and means committee and gives the grounds of their opposition to the bill. It says in opening: "This bill was framed with the avowed purpose of protecting the manufacturers of the United States against foreign competition and it is perfectly obvious that alarming after all.
