BLOWN TO ATOMS.

Who is blown to atoms? Who could be so mean as to blow a fellow to atoms. Who did it? THE HUB did it. I will tell you how it was: You know that fellow who used to be at The Hub called King Credit, well he tried to get back and the Hub told him to "git." He tried to lounge, but the following prices shocked him so that he flew all to pieces.

One lot of ladies' shirt waists, sizes 34 to 38, former price \$1.20 now95 cents.
One lot of ladies' shirt waists, sizes 34 to 40, former price \$1.07 now80 cents.
One lot of ladies' shirt waists, sizes 34 to 38, former price 50c to 97c now35 cents.
One lot misses' wash suits in blue, pink and black striped, age 4 to 14, were 1.35 to 1.75
12 dozen Windsor Ties, in plain and fancy colors, former price 8c to 35c.....now 5 to 20
Twenty-four silk Umbrellas, former price 1.35 to 2.25.....now 1.10 to 1.75.

All colors Lawn and Dimities at your own price. Seventy-five pairs of double-knee, ribbed cotton hose, seamless and absolutely fast colors, sizes from 6 to 8 1/2, as good as any 15 cent hose you buy, go at 10 cents a pair. These hose will be on sale at prices quoted until further notice.

Men's Clothing. Did you say you kept Men's and Boys' Clothing at the Hub? I should say so, and these garments are hummers and record breakers; in fact we are making prices so cheap that it will surprise every one.

Shoes. Our shoe department is complete in all lines. New goods arriving almost every day. If you are in need of good and stylish footwear do not forget that we are making prices which make King Credit blush. Yours for one price and cash only,

PURE LAKE ICE

I am again in position to supply the people of North Platte with a superior quality of pure ice frozen from well water. It is as clear as crystal and of good thickness; not frozen snow and slush. A trial order will convince you of its quality. I have plenty to last through the season.

WM. EDIS.

The gold democrats are organizing tickets and campaigns of there own in all the states in which there are to be important elections this fall, and it is reported that a very much larger percentage of the democracy will support their tickets than was the case last fall. Many democrats who felt bound to stand by the national ticket and platform last year are now co-operating with the sound-money wing of the party, and in many cases, notably in Kentucky the county conventions of the gold democrats have shown a larger and more enthusiastic attendance than that of the silver wing of the party.
