IRA L BARE, EDITOR AND PROPRIETOR

SUBSCRIPTION RATES.

Entered at the North Platte (Nebraska) postoffices second-class matter.

### FRIDAY, JULY 23, 1897.

THE populist court house ring will have a stiff fight in the coming convention to secure the nomination of its pets, but the slate put up by the ring cannot be broken.

It is said that Tim T. Keliher has withdrawn from the race for the populist nomination for sheriff. This reduces the number of aspirants for the office to thirty-two.

THE Clondyke (Alaska) miner digs out \$50 per day in gold, and pays \$5 per pound for dog meat. A fellow up at Clondyke is in no hurry to drop his shovel and rush off to dinner.

In order to comply with the wishes of the church members and other temperence people, the present administration should have the saloons of the city closed at least two Sundays in the month. This would be a tair division.

JAMESTOWN, Kan., is run by women officials, and it is said the public business was never before so wisely and promptly looked after and administrated. Perhaps it would be a good thing for North Platte to have a few women officials.

Poor Dakota has not yet begun marketing her great wheat crop, but one of the best known loan agents in South Dakota is authority for the statement that during the last four years the people of that Early in the day Jones (Ark.) made a state have paid off \$50,000,000 of their debts.

organization reported, recommending Believed They Contemplate Calling On Hugh Craig of San Francisco for presithe Railway Organizations For Assistance-Meeting Under Anthority of dent of the congress, to be effective at 2 s'clock this afternoon. This hour was Trainmen's Union Reported Held.

Sr. Louis, July 20.-Information just received is to the effect that 450 men employed in the shafts of the St. Louis Consolidated Coal company, at Collinsville, Ills., went out today at the request of the marching delegation from Staunton, Glencarbon and Mount Olive coal mines. Tonight the crusaders will march to Belleville, where they will try to get the miners employed by the St. Louis Consolidated Coal company to go

PITTSBURG, July 20 .- Some new features will likely be introduced into the struggle within the next two days, but the leaders are mainintaing the greatest secrecy regarding their movements. It is believed they contemplate calling on the railway organizations for assistance. Secretary Warner gave out information that a meeting of railway employes was held here yesterday and the situation of the miners' strike thoroughly discussed. Resolutions were adopted giving support to the strikers and each member was assessed \$2 for the strike fund. Mr. Warner refused to divulge the name of the railroad employing the men, stating that it might lead to an investigation and the discharge of the men. From another source it was reported to be a meeting of the conductors and brakemen of the roads centering in

Pittsburg. It was claimed that the action taken was at the suggestion of the national officials of the Railway

Trainmen's union. PITTSBURG, July 22.-Chairman Little of the arbitration commission and President DeArmitt of the New York and Pittsburg from the east, where they went to secure the co-operation of the mine owners along the Pennsylvania railroad on the uniformity agreement. Mr. Little said that the result of the trip was very satisfactory and that the success of the uniformity plan now de-pended entirely upon the local operators. He will suggest the calling of a meeting of operators in the near future to consider the matter.

Miners' Secretary Warner issued an appeal for aid today, in which pedition. In the party which left here realized from \$5,000 to \$10,000 each.

The steamer Portland, which brought down City. Besides Mr. Bryan, the speakers over \$1,000,000 in gold, is on her return trip and will be crowded to her utmost capacity.

> Conservative men who have been in the country claim that there is room for hundreds of men more in Alaska. They admit that all of the fields in the vicinity of Clondyke have been taken, but every river in Alaska is, in their judgment, filled with gold, which can be secured if the men are willing to risk the hardships. Inspector Strickland of the Canadian

mounted police, who came down on the Portland, says: "When I left Dawson City a month ago there were about 800 claims staked out, and there were between 2,000 and 3,000 in there. We can safely say that there was about \$1,500,000 in gold mined last winter. The wages in the mines were \$15 a day and the saw mills paid laborers \$10 a day. and wants to work he can find employment at good wages. Several men

There is nothing in the world so pitiful as a neglected baby. There is no sight so sad as that of a helpless infant denied its birthright, a mother's loving care. Thousands of mothers neglect their children because of ill-health. No woman can properly perform a mother's duty who is constantly suffering from sickness, whose system is debilitated and wrecked by the awful drains due to the diseases and weaknesses peculiar to women. The mother who suffer-from the listlessness, lassitude and despond ency due to these troubles is pretty sure to neglect her children and her ho

This lamentable state of affairs is easily remedied if the proper measures are taken. Dr. Pierce's Favorile Prescription is an unfailing cure for all the many forms of weakness and disease of the organs distinctly feminine. It promptly stops all weakening drains, invigorates the various organs and infuses new life and vigor into the sufferer's whole body. A happy home and a tidy and well - cared for baby is the result, for no healthy woman will wilfully neglect her child. Many a woman is blamed for negligence and heartlessness when she is sim-

ply too ill to care for anything but death. f you want to know all about the "Favorite Prescription" address Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. It is sold by all druggists.

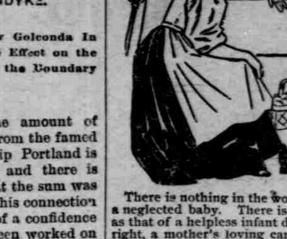

Foul breath, dull eyes, listlessness, sallowness and pimples. A nice combination to avoid o get rid of. All are due to constipation, and con stipation is promptly cured by Dr. Pierce's Pleas-ant Pelleis. They are not a temporary palliative, but a permanent cure. Many so-called constipa-tion remedies must be continued forever, once they are started. The "Pellets" cure perma-nently, They never gripe. Druggists sell them.

When the senate adjourned the understanding was general that the figal vote would be taken on the conference report on the tariff bill not 'ater than Friday, but there was no formal agreement to this effect. Both Senators of the Democrats, expressed the opinion that the vote would not be prolonged beyond this time. Senator Allison also stated that while he still considered a vote possible today, he felt very confiyond Friday. In the event of a vote on

the tariff Friday, final adjournment is generally predicted for Saturday. Currency Mersage Next. WASHINGTON, July 21 .- It is semiofficially announced today that President McKinley will withhold his currency message until after the conference by the senate. The Republican leaders in the senate do not desire to have any new question thrown into the senate while the debate is on lest it may lead the president has postponed sending the message to congress. He is, of course, as anxious as any of the members to

have the bill become a law at the earliest possible moment, but as soon as the bill is out of the way the currency message will be sent to congress.

GERMAN ENDEAVORERS.

**Opening of the Fifth Annual Convention** at St. Louis.

ST. LOUIS, July 22 .- The fifth annual convention of the National Union of German Christian Endeavor societies matter of general republican con- opened here with between 500 and 500 gratulation. It will be a great delegates present. The convention, gathering of the active working which will be in session several days, is being held in the audience room of forces of the party throughout the north side German Y. M. C. A. build-United States. It will be held at a ing, which has been beautifully decoratime when its influence will be ted for the occasion. Rev. J. G. "mixers." The committee met Mr. Matthieson, but he was noncommittal. "Wait until Aug. 1," said he, "and I will able to talk with you." He had only reached Chicago, he explained, and had not yet got well settled in his new possessions. Indeed, the factories would not be operated by his association until after Aug. 1, and so he could not be expected to say what he would do until after that. The committee reported back to the meeting the result of their conference. After some debate the delegates decided they could take no action towards forming an association until they knew what Mr. Matthieson's intentions were. So the meeting was adjourned, to reconvene in Au-

gust, at the call of the chairman. YOUNG TEN EYCK WINS. American Oarsman Captures the Diam
