THE RESEARCH CLUB.

A dozen or more ladies met at the Baldwin residence yesterday afternoon and organized the Research Club by the election of Mrs. W. H. McDonald president, Mrs. H. M. Grimes vice-president, Mrs. G. T. Field secretary and Mrs. I. L. Bare treasurer. The work of the club will be along literary lines, with sufficient social pastime to relieve any approach to monotony. As the entertaining accommodations of some of the residences are limited, it was decided to limit the membership to twenty for the first four months. The club will meet alternate Tuesday afternoons, beginning next week when the first formal, through rather brief, programme will be rendered at the Baldwin residence.

DATES OF EARLY FROSTS.

While we have had no killing frost thus far in the season, the following record from the weather bureau at North Platte will show that this is not the first time it is so late in coming, but the average date is about Sept. 19th. The date of the first fall frost in the several years is as follows:

1875, Oct. 12	1876, Sept. 10
1877, Sept. 29	1878, Oct. 4
1879, Sept. 10	1880, Sept. 12
1881, Sept. 13	1882, Sept. 16
1883, Oct. 16	1884, Oct. 9
1885, Oct. 8	1886, Oct. 20
1887, Sept. 28	1888, Sept. 29
1889, Sept. 15	1890, Sept. 19
1891, Oct. 4	1892, Oct. 8

1895, Sept. 23	1896, Sept. 27

GAVE SPLENDID SATISFACTION.

By the time the Della Pringle company has made its tour of the hills it will probably have scored the most successful tour of any repertoire company that has ever come to this section is the recommendation of the Independent. At Rapid City the house was packed to the doors and a return date was arranged. The company was booked at Fort Meade for one night only, but they gave such splendid satisfaction that the management bought out the show to remain and have given a guarantee to return April 14 and 15. They appeared at Lead City Thursday evening at Miner's Union opera to the biggest repertoire business in the history of the house. The splendid success of the company can be attributed to the fact that it is made up of actors and not sticks, and their plays are new and have never been seen in the hills. The company supporting Della Pringle is by far the best she ever owned.—Lead City Call.

Sophy Koenig, who had been in Hershey for two months, returned home last Sunday.

Mrs. M. Green and Miss Allie Heed were Wellfleet callers Saturday.

Cecil Tuell is expected home from St. Joe, Mo., this week.

John McConnell is making hay on the B. Beer land.

Geo. Griffiths is cutting grass for A. Green.

Early corn will soon do to crib. Mrs. Milliken, of Fillmore county, is visiting her sons at Somerset.

George Rhoads has been employed to teach the Votaw school.

Will Jolliff was out this week on a goods selling expedition for Cecil Tuell.

OBSERVER.

J. C. Adams and wife, of Paxton, were guests of the Nevilles last night.

—M. K. Barnum this morning received a standard bred White Leghorn chicken from Fabins, N. Y.

—H. A. Honaker and Mr. and Mrs. N. O. Newburn, of Gandy, are trading with our merchants to-day.

A. M. Locke yesterday added two set of double and two set of single harness to his already well equipped livery stables. A new carriage will arrive in a few days.

—THE TRIBUNE job department is printing for the Episcopal ladies' guild a neat pamphlet containing the favorite cooking receipts of the members of the guild. These books will be offered for sale at the fair to be given by the guild in November.

The Methodist congregation at Plattsmouth has just succeeded in raising a church debt of \$10,000 that has hung over the meeting house like a pall for several years. It is mighty good evidence that prosperity has arrived for that particular church.

EVENTS IN NEBRASKA.

L. W. Fetter, a first district brakeman, was run over and killed by the Portland special at Central City early Tuesday morning. His body was horribly mangled.

October 8th has been designated as Nebraska day at the Nashville exposition. Governor Holcomb and staff, W. J. Bryan and other sample Nebraska populists will attend.

The farm house of A. L. Gordon, eight miles north of Alma, was consumed by fire Monday night, destroying the entire contents and ending the lives of his three small children, aged 7, 9 and 11 the oldest being a girl.

Beatrice's big sorghum factory will soon be in operation. The machinery for it is laid down and is being put in position. It is expected that only syrup will be made this year, but the hope is that it may develop into a sugar factory.

Thomas Mortimer is feeding sixteen steers on the Marshal Field ranch in Stanton county, which are being prepared to compete for a \$500 prize at a stock exhibit in Chicago in November. The animals have been on feed nine months and will average about 1,800 pounds.

Monday morning about three o'clock the barn on the Curtis ranch four miles south of Gothenburg was burned, together with corn cribs and hog sheds, entailing a loss of ten thousand dollars. The fire is supposed to be of incendiary origin.

The Trans-Mississippi Gold Mining company at Schuyler has received the thrilling intelligence that a strike has been made on its property at Woodland Park, Colo., which shows samples of ore going \$20,000 to the ton. But it will be a pious idea not to spend the proceeds until they are procured.

William and Wallace Stanley, living on a farm near Unadilla, have for a year or so past been engaged in stealing articles of different kinds, and when a raid was made upon their house and barn last Monday stolen goods to the amount of two thousand dollars were found.

A Beatrice man sent \$6.50 in good money to an eastern newspaper for a watch which was worth \$20. When it came it was found to be in a case of pure mud, with bronze on it, containing Studebaker running gears. That man will hereafter buy his jewelry of local implement dealers satisfied he can do as well with them as by sending east for a bargain.

The case brought by Squaw Man Tibbles against the railroads of the state charging them with maintaining too high a rate of freight has been deterred until after election. It comes up before the populist board of transportation and the members thereof do not want to act until after the battle, mother. They don't feel like offending either the people or the roads.
