Did it Ever Occur to You?

That a Watch which does NOT run is better than a poor one which DOES RUN! A Watch which does not run is right twice a day, while a cheap Watch that runs is never right. If you contemplate buying a Watch call on us and we will furnish you one that will always be right.

The announcement of her marriage was a pleasant surprise to her friends.

—The volunteer fire department will give its ninth annual dance on Friday evening, Oct. 29th, for the purpose of raising funds for the running expenses of the department for the coming year and to defray the expenses of delegates to the state firemen's convention in January. The boys are deserving of patronage from every property holder in town; each should purchase a ticket even if he does not dance. This is the popular way of raising funds and the boys have adopted it—let everybody contribute at least the price of a ticket. The local department is working hard to secure the next firemen's convention for North Platte. The vice-president of the state association—Captain Hamilton, of this city—and will work with the boys to secure the convention. The convention means a big crowd for North Platte and lots of money distributed in town by the visitors.
