VEW SHOES

SPRING COLORS AND STYLES.

Our buyer has been laboring almost incessantly for the past six months getting for our two stores the best lot of shoes that the opening of any spring season has ever caught us with, and we've been through a good many spring seasons. Labor has its reward, and the reward has commenced to come in the shape of the Finest, the Best and the Handsomest shoes that any store roof ever had the honor to cover. There are the Ladies' new tans in fashion's most approved shapes, McKay soles, welt soles (extension edge) and hand turn soles, leather top and silk vesting top. Some of the tops are all cloth snd some are cloth inlaid. In Men's we've got three new Tans, (so far) --one at \$3.00, and two at \$3.50; the \$3.50 ones are Vici Kid and one of them has a silk vesting top. We want your criticisms --- if you have any.
