A year ago, the first of May, the Yellow Front Shoe Store opened its doors to the shoe buying public of North Platte and vicinity. We promised them a better class of goods than they had been able to buy at home; that our business would be conducted on strictly honorable business principles; that all would be treated fairly and alike. Our efforts have been appreciated as is evidenced from the excellent business we have had--it's been GOOD. Complaints of the service of our goods have been few---VERY FEW--and each and every one of them been satisfactorily adjusted. If any ave not, it's because they were not reported to us. The voluntary expressions of satisfaction from our customers have been numerous. Have you tried our Shoes? If not you're invited.
