Expect News From Manila That Dewey's Fleet Has Been Destroyed.

MADRID, May 13 .- There is great ercitement here among public officials at yards or more off the harbor. the news of the arrival of the Spanish feet at Martinique. It is now said that the ships went there on purpose to coal and that two large trans-Atlantic steamers, loaded with coal, were awaiting them at Port de France. Another object of the call of the Spanish fleet at Martinique was to communicate with the Spanish government and ascertain the whereabouts of the American fleet.
