NEW YORK, May 24.- A dispatch from Manila says the German consul there tried to land provisions from a German ship, but that Admiral Dewey refused to permit it. The consul then declared. according to the dispatch, that he would force the landing under the protection of two German cruisers, but Admiral Dewey threatened to fire upon the cruisers and the attempt to land supplies was abandoned.

NEW YORE, May 24 -A copyrighted dispatch to The World from Hong Manila disaster. Kong, dated May 24, says: The situation at Manila is desperate. Food is scarce and meat is exhausted, while all the canned stuff is nearly gone. Two weeks will exhaust the available supply. The volunteers demanded food, but the Spanish government authorities refused to give it, and riots are threatened. A delegation is said to be preparing to wait on United States Consul Williams, as the citizens fear an outbreak. The insurgents control the surrounding country, and Chief Againal-
