#### WHEN HE COURTED YOU

He didn't complain if you were a little despondent or irritable at times. he does. He's the same man. He didn't understand then. He doesn't now. Then he thought it was caprice and liked it. Now he thinks it is caprice and doesn't like it.

But now he's busy getting money.

If he realized the full truth he would be more than anxious to have the wife he loves take the right remedy to restore her to true womanly health. Most men don't know that when a woman is weak, nervous, irritable and despondent, there is invariably something radically wrong with the delicate feminine organs with which her entire physique is in sensitive touch. There is one, and just one remedy, tried and proven, that will put

things right when the feminine organism is weak or diseased. It is Dr. Pierce's Favorite Prescription. It re-stores perfect health to the weakened organs, and makes them strong, makes wifehood happy, and motherhood easy It banishes morning

sickness and all other discomforts that precede maternity. It makes labor light, short and almost painless. It helps to make real "new women." An honest druggist won't urge upon you a sub-

stitute.

Mrs. Emerson Allen, of Dorset, Ontario Co., Ont., writes: "I can truly say that I think Dr. Pierce's medicines the best I have ever used. I was in very poor health for a long time, dating from the birth of my little girl. I tried different doctors and different medicines. I derived very pusch more benefit from your medicines than from any other I have ever used. I took four foutles of 'Favorite Prescription' and three bottles of 'Golden Medical Discovery,' and I always keep the 'Pellets' in the house."
