Harrington & Tobin.

Jno. L. McGrew returned from Kansas City where he had been visiting his daughter.

Try Dr. Longley's Little Lazy Liver Lifters. Guaranteed.

F. P. Cockran came up from Omaha this morning and will spend a few days here visiting friends.

Elder Leonard returned last evening from Wellfleet where he went to conduct the funeral services of Tony Davis.

Woodman Boiled Linseed oil 55c a gallon at Wilcox Department Store.

The session of the Summer School will close Thursday. Over seventy pupils have enrolled and the school has been very successful in every particular. Excellent work has been done by all of those in attendance.

Milton Caress and family, of Brokenbow, are expected here in a few days to visit relatives. Mr. Caress is the missionary of the Sunday School Union in charge of the Sunday School work in Custer county.

Marti is prepared to fill orders for ice cream in quantities.

San Francisco is planning to welcome the members of the First Nebraska regiment with open arms when they arrive either to-morrow or the following day. Governor Poynter, Adjutant general Barry and Congressman Stark will welcome them in behalf of the state. Governor Poynter's welcome will probably be an unusually warm one in order that the boys may forget the little veto matter which occurred during the sessions of the legislature.

A nimble dime is better than a slow quarter. That's what the manufacturers say who want our cash trade. Those new Shoes for fall at \$1.50, \$2 and \$2.50. Selling agents for W. L. Douglas, Reeds, Cushion and Beem's Shoes.

STAR CLOTHING HOUSE.

During institute week three lectures will be given. The first one will be on Monday evening, August 7th. Its subjects will be "New Mexico and its people." Prof. A. E. Davison of the State University will deliver it. The next lecture will be on Thursday evening and it will be delivered by Supt. Dinsmore but the subject has not yet been announced. The third and last lecture will be given by Mrs. A. K. Goudy on Friday evening and its subject will be "The practical in a common school education."

Railroad Notes.

Engine No. 826 is in the shops for light repairs.

Nick Kirsch has taken up his old work of switching in the yards.

Engine No. 1481, a "tramp engine" was in the round house here yesterday.

The roofs of the various shop buildings are being treated to a coat of paint.

Matt Walsh, who was called to his home in Canada by the serious illness of his father, has returned.

Geo. Vroman, who was in Omaha attending to some Grievance Committee business, returned Wednesday morning.

Engineer Schemerhorn was in town to-day looking after the progress of the roadbed work which is in charge of E. Stenger.

Roy Vernon has returned from his vacation trip to Denver and other Colorado points and resumed his work as night expressman.

The constantly increasing business of the Union Pacific has compelled the company to enlarge the yards at Cheyenne by the addition of several long side tracks.

District foreman McKeen's office is now decorated with very handsome pictures of engine No. 1502 and engine No. 1703, types of the two new classes of the engines which have recently gone into service.

The grading outfit which has been at work at Paxton was brought here and yesterday morning was sent to Brady. The increase in the force of men at work on the roadbed east of here is due to the fact that the officials are anxious to finish all of the roadbed work east of here as soon as possible.

Five Pullmans and a baggage coach for the use of the Harriman Scientific Expedition which is returning from Alaska, went through as the third section of train No. 1 Wednesday afternoon. One car was Mr. Harriman's new private car "Arden" which is fitted with every possible convenience and is a veritable palace on wheels. The expedition went to Alaska several months ago. The entire expenses are borne by Mr. Harriman. His return to the commercial world is awaited with considerable impatience by the various railroad interests on account of his supposed antipathy to the present traffic arrangements which the Union Pacific has with the Northwestern and his preference to his own road, the Illinois Central.
