The Leader.

Advertisements are sometimes misleading. Probably you have already found this out for yourself, and do not need to be informed of the fact. The patronage which results from our store announcements comes to us because the people of the city and vicinity have learned that our printed promises are as good as our bond. Burglar Arraigned.
Burton Connors, the tramp whom Sheriff Keliher brought up from Kearney, was arraigned before Judge Baldwin Friday afternoon on the charge of burglary. He pleaded "not guilty" but on the evidence submitted the judge bound him over to the next term of the district court in the sum of \$300. One of the principal witnesses, M. C. Allen, was bound over in the sum of \$200 to appear at the December term of court for the purpose of testifying. No evidence was found sufficient to implicate the boy, Victor Lund, who was in custody, so he was released.

Death of Mrs. Beier.

Mrs. Elizabeth Beier died Sunday night at the home of her daughter Mrs. Henry Yost. The deceased was born in Germany in November, 1818. She came to this country a good many years ago and of late years has made her home with her daughter Mrs. Yost. Besides her daughter she leaves a sister, Mrs. Val Scharmann, and a number of grand children to mourn her demise. Mrs. Beier, although well along in years, had always enjoyed very fair health until a few weeks ago when she had a severe spell of sickness, apparently recovered from that but had a relapse Saturday night from which she never rallied. The funeral will occur to-morrow afternoon from the Lutheran church.

Married.

On last Thursday evening, Oct. 5, 1899, at the home of the bride's mother, Mr. Herbert E. Irwin and Miss Laura Alice Grayson were united in marriage by Rev. J. C. Irwin, father of the groom. There were present besides the members of the families, Mr. and Mrs. Lipscomb, Mr. and Mrs. W. M. Irwin and Mrs. J. G. Johnson. Mr. Irwin is one of the leading young business men of Peabody. He has been in the employ of Irwin Bros. for the past four years and is now manager of Irwin Bros. Tank Manufacturing plant. Miss Grayson is one of Peabody's most beautiful young ladies who enjoys the respect and favor of all for her many amiable qualities.

Mr. and Mrs. Irwin have gone to house keeping in the Sartelle property on First Street and are now at home to their many friends. —Peabody Gazette.

A Farewell Party.

Miss Lucy Bonner entertained a number of her friends Friday evening at her home in the Third ward. The time was very pleasantly spent in playing "Up Jenkins" and various other games. Miss Bonner was assisted in entertaining by Mrs. John Bonner, Mrs. John Weinberger and Mrs. Jas. Snyder. The party was of the nature of a farewell as Miss Bonner expects soon to remove to Pueblo, much to the regret of her many North Platte friends. Among the guests were the Misses Emma Samuelson, Kate and Ella Yost, Abbie and Estelle Shuman, Cora Hattfield, Katie Weinberger, Churchill, Ella Blake, Anna Brown, Myrtle Scharmann, Ethel Fenwick, Mrs. Hattie Dill, and Messrs Newport, Murphy, Mills, Will and Andy Yost, Douglass, Fleishmann, Hunter, Scharmann, Snyder, Waltemath, and Jeffers.

Geo. Casey is confined to his home by serious illness.

ROSEBUDS

Budding womanhood! What glorious possibilities! What half-hidden dangers! What a time for tender sympathy! At puberty nature generally makes some attempt to establish physical regularities, but when nature fails to assert itself, developments result which injure the health and impair the constitution of the maiden. The timely use of Bradfield's Female Regulator, the standard remedy for all weaknesses and irregularities peculiar to women, is what retarded nature needs in all such cases. Sold by druggists for \$1. Books for women free.

Between the Rivers.

The demopop who attended their county convention at North Platte on Sept. 9th, and is now trying to make the voters up this way believe that Newell Buritt, their nominee for county treasurer, has not touched a drop of intoxicating liquor for four years must have been a little off his base or else he could not see at that time. "There are none so blind as those that won't see."

C. C. Wetzel and J. M. Dwyer have returned from Omaha where they went a few days ago with cattle. They report the market good under a republican administration. G. W. Brown purchased a store building over at Wallace last week and will move it over to Hershey in sections this week, where it will be used by W. L. Hackney as a confectionery store.

"PAT"

People who are inclined to criticize the conduct of the American campaign in the Philippines, would do well to contrast it with those of Spain in those islands. Gen. Rivera in the first year of his campaign against the Filipinos, lost 8,000 prisoners, 1,000 killed or mortally wounded, and 2,600 disabled by disease, making a total of 11,600, or 46 per cent. of his entire command. Gen. Otis in the eight months of his campaign lost 253 killed, 92 deaths from wounds, 470 incapacitated from disease, and 40 prisoners, making the total 815, or about 2 1/2 per cent. of his entire command.

S. RICHARDS. THE FAIR.

Fred Funston's Sentiments.

As I was appointed under the emergency clause of the law of March 2, 1898, my time expires on Sept. 2, and consequently I am to go home to muster out with my old regiment. I would really like to see the war through to a finish—not for the position I hold—but because my fighting blood is up. I am quite confident that by spring it will be over. The indications are that a very aggressive campaign will be inaugurated this fall, and they will have what they lacked before—about 3,000 cavalry, absolutely indispensable in a guerrilla war. Lord! wouldn't I like to command a cavalry brigade. I have never for a minute had any qualms as to the justice of this war. We are right and they are wrong. These people rejected the peaceful overtures of the United States and chose to fight, from pure cussedness, and I hope when they are conquered they will be made to feel for many years the iron hand of military rule, the only kind for which they are suited. They have by their deviltry absolutely forfeited consideration at our hands.

I think the islands a most valuable acquisition. Their natural resources in the way of timber and minerals are almost beyond computation, while large quantities of sugar, hemp and tobacco are exported yearly. From a strictly money standpoint, they are great. —From a letter to Major George F. Pond, of Fort Scott.

Deafness Cannot be Cured

by local application as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best. 6-10
