J. F. Ware is thinking strongly of moving from the hamlet of Hershey onto an old canal farm in the vicinity of the Platte Valley school house about March 1.

Joe Rebout has returned from a two weeks' sojourn in the village of Wallace. He is now located at Hershey.

D. S. McConnell received a new light spring wagon the other day from Elkhart, Indiana.

E. C. McCord is putting some much needed repairs upon his residence in the village of Hershey. He purchased the material of W. H. Hill of that place.

The Tift hay outfit is still loading baled hay at Nichols from over south from Harrington & Tobin of the county seat.

G. L. Mudd on the Paxton ranch has lately erected a blacksmith shop of corrugated iron on the ranch and equipped it with a full set of tools for home use.

A cattle man residing not many miles from Nichols station will, it is reported by good authority, soon have stock yards and scales put in at that place so that he can handle his large shipments of stock near home in the future.

W. R. Eyerly and family have returned to Hershey after an extended visit at Brady Island and vicinity. They report a pleasant trip.

A gentleman by the name of Daniel Shaw, who with his family moved from Madison, Wis., to Oregon in April, 1899, and about a month ago from there to Big Springs, Neb., is at this time moving onto the Ferguson ranch just east of Nichols, which we understand he has rented for a number of years and will engage in the dairy business.

On Sunday evening last Mrs. Ed Stone, of Hershey, received the sad intelligence from Paxton of the death of her brother Roy Smith, a young man about 16 years of age of that village. We understand that he was found dead on a bed in the house of a ranchman near there where he was alone doing chores while the man was absent on business and who found him Sunday evening upon his return home. The horse that he had been riding was in the corral with the saddle turned under. It is thought that he was thrown from the animal receiving injuries from which he died after reaching the house. Mrs. Stone and husband departed at once for Paxton on train No. 3, remaining until after the funeral on Tuesday.

### DICKENS DOINGS.

Mr. Hittman of Wellfleet marketed corn here Monday, Votaw Brothers being the purchasers.

## Wives, Beware!

An expectant mother had better not take anything at all than those positively dangerous mixtures so widely advertised to relieve her discomfort and nausea. She ought to know that outside external treatment is the only way that can possibly be of any benefit. She ought to know that *Mother's Friend* is the only remedy that will help her, and it is an external liniment. It takes her through the entire period in comparative comfort, shortens labor, and childbirth is no longer to be dreaded. More than that, it preserves her girlish shape after the ordeal, and her little one will come into the world perfect in form and health.

Get *Mother's Friend* at the drug stores for \$1 a bottle, or send to THE BRADFIELD REGULATOR CO., ATLANTA, GA.

Write for our free book, "Before Baby is Born," fully illustrated. For married women only.
