### BETWEEN THE RIVERS.

Geo. Eves and family visited the former's parents at Hershey last Sunday.

Archie Strickler took a load of the Seafoam washing machines to North Platte Monday.

The North Platte Land and Water Co. is having a dredge boat constructed which will be used at the head of the canal for removing the sand. A centrifugal dredge pump and a twelve horse power gasoline engine will be used.

The members of the Hershey commercial club are pleased to learn that the business men of North Platte have organized a club on the same plan as adopted here.

G. W. Brown and wife were recent visitors in Curtis.

G. A. Staples and crew have finished baling 120 tons of hay on the Dillon ranch and are now baling on the south side.

C. B. McKinstry did not ship the hogs he purchased of W. O. Thomson west from Hershey, but instead drove them to Sutherland.

About fifty acres of sugar beets will be cultivated in the valley between Spuds and old O'Fallon the coming season, the most of which have already been contracted. In order to promote and encourage sugar beet culture the North Platte Land & Water Co. will permit their tenants to use three acres of land free for this purpose and will give a premium of ten dollars to the farmer who cultivates at least three acres of beets and which attains the best results according to chemist's test at the Grand Island factory, and five dollars for the second best. Those wishing to engage in this business should call on E. F. Seeberger at Hershey, who is authorized to make contracts.

W. H. Hill transacted business at the state metropolis this week.

W. A. Paxton shipped two cars of hogs from his ranch Tuesday, and Seeberger & Co. shipped a car the same day.

It was G. L. Clayton who joined the Woodman camp at Hershey last Saturday instead of G. L. Taylor.

For the best line of cigars in western Nebraska, go to W. L. Hackney's at Hershey.

Frank and Will Loker will not work with the Dillon & Patterson grading outfit at Sidney as was reported. The wages were not satisfactory.

The Royal Neighbors held an enthusiastic meeting at the school house hall on Tuesday evening. Quite a little interest is being taken in this order, and more should be as it's a good thing, so push it along.

Renben Ellsworth will sell his goods on the 10th inst., and then will leave for Wisconsin. E. A. Stone and Jacob Delay will also have a sale in the near future. Mr. Stone intends moving to Lincoln and Mr. Delay to California.

The Methodist brethren are having a turmoil in their camp on account of some remarks having been made derogatory to the character of the Methodist preacher, but stories after being run down appear to have no foundation. The reverend gentleman is so enthusiastic over his work that he sometimes oversteps the line and unpleasantness occasionally results.

James Shoup and Nels Peterson transacted business at North Platte Monday.

Nate Trogo, of Lilac, spent several days in this vicinity last week.

Fred Pierson is spending this week in Denver looking up hay shipments.
