Located at North Platte and Pawnee Ranch must be sold at once. The above property will be offered at PRIVATE SALE to the people of North Platte and vicinity for a short time only. What is not sold here will be shipped away and disposed of in other markets.

It is well known that for the last quarter of a century M. C. Keith has been buying and breeding some of the very best bloodlines in both horses and cattle, which could be secured in the United States. With his keen instinct and game judgment, no animal was too good or high priced for his Pawnee Ranch, and the records of Paddy, 2:11 1/4; Edith Wilks 2:13 1/4; Jessie Wilks 2:22 1/2; Keith's Darnight 2:26 1/2, and others which were developed, shows that he thoroughly understood the breeding business. Undoubtedly there are many others equally as fast and some faster, if trained and developed, and will be worth ten times the price asked for them now. The estate will sell them as they are, and if you want great bargains in good horses, call at once on

Mrs. Smith Clark Dead.

The sad news was received here Wednesday morning of the death of Mrs. Smith Clark at her home in South Omaha. Mrs. Clark had been ailing for a number of months and spent a number of weeks at Las Vegas hoping that the change might prove beneficial but she grew steadily weaker. Her death was due to a complication of liver and stomach troubles. Mrs. Clark was born in Silver Creek, N. Y. in 1842 and spent her girlhood and young womanhood there, coming west about twenty years ago. She made her home in North Platte for a number of years and has a large circle of very warm friends here to whom the news of her death comes as a blow. She was a loving, warm hearted woman with many splendid traits of character. She is survived by her husband, a son, F. E. Clark and a daughter, Mrs. Warren Davis. Both her son and daughter reside in South Omaha and were with her at the time of her death. It is thought that the remains will be taken to Silver Creek for burial.
