The parts were well learned as a whole and quite well delivered.

Robert Peale, of North Platte, is charged with murder.

Four thousand laborers at the National Tube works at McKeesport, Pa., have had their wages advanced ten per cent, which makes the second ten per cent increase within the last six months. The wages paid the common laborers are now higher than ever before in the history of the works. And yet the Bryanites can see no evidences of prosperity to the workingman.

THE re-election of Mayor Moores and the success of almost the entire republican ticket in the Omaha city election causes considerable rejoicing among republicans in the state, as the result will have considerable bearing on the fall election. The campaign against Moores was a most vicious one; but party harmony prevailed and when the latter is the case Omaha goes republican.

DURING the past eight month the receipts of the government have been \$37,763,000 in excess of the expenditures; and during February the public debt was reduced nearly seven million dollars. The republican party when in power always reduces the national debt; and more than this, it brings about conditions which make it possible for the business man and the laborer to pay off his indebted-

CONGRESSMAN NEVILLE makes the statement without any reservation that he will be a candidate for renomination, and that he will not attempt to secure a seat in the senate. As at this time it does not appear that he will have any particular opposition in the nominating convention, the Judge evidently believes that his chances for succeeding himself are much brighter than his show for being senator. He seems to think the republicans of the district will nominate Judge Grimes to make the race against him; but probably hopes they will not, for Judge Grimes would certainly make a very strong race.

"I have used Beggs' Blood Purifier in my family for over two years and do not believe there is a better medicine made. It is the family remedy for us and all we need," writes Frank Mitchell, Mason City, Iowa. Purifies the system, makes new rich blood. A. F. Streltz.

John J. Ingalls: "The republicans hold the affirmative on every great question before the American people. They have redeemed their pledges and are not encumbered with ancient platforms. They will renominate President McKinley, as the democrats will renominate Mr, Bryan, by acclamation. One will stand on a declaration of principles for 1900; the other for the Chicago platform, with codicils and postscripts drawn from a grab bers of the Board of Education.

The basis of representation is one delegate for each twenty votes or major fraction.
