**Blake Howard Dead.**  
Blake Howard, one of the pioneer engineers in the service of the Union Pacific, died at his home in Grand Island Wednesday night after an illness which had lasted about a month. He was well known all along the line of the Union Pacific having been in the company's service since 1870, first as an engineer on the Wyoming division, then as a traveling engineer and more recently as foreman of the repair and car shops at Grand Island which position he held at the time of his death. He was the organizer and one of the charter members of the local lodge of the B. of L. E. He is survived by his wife and five grown children, two sons and three daughters. He had hosts of friends in North Platte to whom the news of his death was a great shock.

**Republican Primaries.**  
The republican primaries for the several wards were held Wednesday evening, and the result was as follows:  
First ward—C. P. Davis was nominated for councilman, and A. H. Davis, M. McNamara, J. M. Ray, Jno. Sorenson, M. Oberst, Jno. Alexander and D. H. White elected delegates to the city convention.  
Second ward—C. F. Iddings was unanimously nominated for councilman. The delegates elected to the convention were as follows: H. T. Rice, W. V. Hoagland, F. R. Ginn, D. W. Baker, C. E. Brown, W. M. Salisbury, W. J. Hendy, T. C. Patterson, H. S. Ridgely, Fred Hartman, A. F. Hammond, W. T. Wilcox and Geo. E. French. H. T. Rice, W. V. Hoagland and D. W. Baker were appointed ward committeemen.  
Third ward—Delegates to convention—W. C. Elder, Wm. Woodhurst, C. F. Scharmann, H. O. Evans, David Scott and W. H. Johnson. The various candidates for city offices were discussed and L. B. Isenhart was spoken of for councilman but no definite action was taken as it was understood that he would also be a candidate for the board of education.

"With one bottle of Beggs' Cherry Cough Syrup my cough and soreness entirely disappeared"—Ernest Whipple, Davenport, Iowa. Guaranteed to cure all throat and lung troubles. Has never failed. Try it. A. F. Streit.

### BETWEEN THE RIVERS.

J. B. Aveline has several carloads of baled hay that he will soon put upon the market.

Wm. H. Sullivan returned from Iowa last Monday where he had attended several public sales of short horn cattle the previous week. He purchased a bull calf of that breed near Newton that state.

J. H. Hershey of the county seat was up to his ranch Wednesday last and got a load of cobs for fuel.

The valley is full of wild geese and sandhill cranes at this time. Seeburger & Co. of Hershey have been taking in swine at that place lately and will ship out a car load soon.

## EDISON'S PHONOGRAPH

Better than a Piano, Organ, or Music Box, for it sings and talks as well as plays, and don't cost as much. It reproduces the music of any instrument—band or orchestra—tells stories and sings—the old familiar hymns as well as the popular songs—it is always ready. Prices \$7.50 to \$100.00. See that Mr. Edison's signature is on every machine. Catalogue of all Edison's Phonographs and Records sent free by mail from New York.

Mr. and Mrs. J. F. Ciabaugh and Mr. and Mrs. H. J. Roth, of North Platte, were guests of Hershey friends last Tuesday evening.

R. W. Calhoun took the cattle that he had been keeping at Nichols the past winter back to McPherson county this week.

Charles Searles, of Ogalalla, was down this way on business Tuesday. He went from here to North Platte.

It is reported by very good authority that a couple of Hershey business men are going over south in the sand hills to engage in the live stock business this season.

Rev. Randolph, of this circuit, who did not depart from it for other fields of labor as was stated, is at this time holding a series of revival meetings at Hershey.

J. B. Toillion, jr., is able to be out and around after a long spell of sickness.

Considerable baled hay is being shipped west from both Nichols and Hershey at this time.

### DICKENS DOINGS.

Mr. and Mrs. J. R. Cosselman, of North Platte, were in this locality the early part of last week visiting old time friends.

Jerome Bailey and son Nicholas were in Hayes Centre the latter part of last week.

Miss Jennie Latimer, who has been working over north of Wellfleet, returned home a few days ago.

H. E. Votaw, of Wellfleet, and W. B. Votaw, of Maywood, were in town Saturday looking after their interests here. They left Sunday morning for their respective homes.

J. M. Fristo shipped a car of hogs to South Omaha Sunday morning. Hogs are getting pretty scarce in this locality.

Miss Gardner, Larissa, Mo., arrived a few days ago and will make her future home here with her brother J. P. Gardner.

The following named farmers of Marengo postoffice, delivered hogs in town Saturday: S. F. Rathburn & Son, E. D. Leech, F. Fitzgerald and A. Mulford.

Clyde Fristo and Gus Latimer were Wallace callers Saturday.

The Dickens school is progressing finely. There are only about thirteen scholars on the roll but Miss Garrison is making a good showing for such a small school.

Cecil Tuell returned from St. Joseph a few days ago and brought his spring goods which he now has on sale.

### BANKER ROUTS A ROBBER

J. R. Garrison, cashier of the bank of Thornville, Ohio, had been robbed of health by a serious lung trouble until he tried Dr. King's New Discovery for Consumption. Then he wrote "It is the best medicine I ever used for a severe cold or a bad case of lung trouble. I always keep a bottle on hand." Don't suffer with coughs, colds, or any throat, chest or lung trouble when you can be cured so easily. Only 50c and \$1. Trial bottles free at Streit's drug store.

John Hughbanks, one of the men who was being examined for a juryman in the Dinsmore case at Lexington, created quite a little amusement when asked if he knew anything of the case by replying that he had read about it in the Cincinnati Times. The judge, however, thought it was best to excuse him even if he did get his information in a decidedly roundabout fashion.

Bayard, like all of the other towns on the Alliance-Brush line, is having a large sized building boom. The enterprising editor of the Transcript with his usual hustling proclivities is one of the leaders in the van of improvers and has had a new home built for the paper and is thoroughly enjoying life in it.

### WHAT'S YOUR FACE WORTH!

Sometimes a fortune, but never, if you have a sallow complexion, a jaundiced look, moth patches and blotches on the skin, all signs of liver trouble. But Dr. King's New Life Pills give clear skin, rosy cheeks, rich complexion. Only 25c at Streit's drug store.

Governor Poynter and a number of friends came up to Kearney this week and enjoyed the excitement of a rabbit chase. The chase resulted in the death of forty-six jack rabbits and half a dozen wood rabbits. The governor holds the record for killing the greatest number.

## A Wrong Notion

It is a mistake to suppose that baby must come with great pain and suffering. An expectant mother need only use the wonderful liniment called **MOTHER'S FRIEND** to escape the dread, danger, pain, distress and nervousness. Druggists sell this liniment for \$1 a bottle. Wives are invited to send for our free illustrated book. It will tell them things they ought to know. THE SHARPLESS REGULATORY CO., Adams, Mo.
