The Republican City Ticket.

The city ticket nominated by the republican convention is one which commends itself to the voters, and it will receive a large majority on election day. H. S. White, the nominee for mayor, is vitally interested in the welfare of the city, is a thorough business man, and as the chief executive of the city will apply the same methods of carefulness in the transaction of the business of the city as he would in his own private affairs. During the past year he has been president of the city council and as such gave valuable assistance in conducting city affairs in an economical manner. While favoring economy, Mr. White will not advocate pruning so closely as to effect sthe welfare and prosperity of the city, but he will demand that the city receive full value for every cent expended.

For city clerk the convention nominated Greeley Bundy, of the Third ward, a man fully competent to discharge the duties of the office. Physical infirmities debar Mr. Bundy from manual labor, and having a large family to support, the salary of the office will be of great assistance to him. He was elected assessor of his ward several times, and his returns to the county clerk have been among the best received, an indication of his clerical ability.

Robert Shuman, the present city treasurer, was re-nominated. He has transacted the business of the office in a careful and satisfactory manner. In fact his work has been so satisfactary to the people that he is not likely to have any opposition. C. P. Ross has filled the office of city engineer several terms and was renominated by reason of his competency.

For members of the board of education the convention selected B. L. Robinson and J. E. Weeks. Having, as a member of the board, been closely associated with the plans and other preliminary work of the proposed new school building, it was proper that Mr. Robinson should be renominated and fitting that he be re-elected. His work as president of the board has been careful and fair and he has well served the people. Mr. Weeks takes an active interest in school matters, is a level-headed man, and will make a valuable member of the board.

The republican nominees for councilmen are representative citizens, and will well serve the people of the wards wherein they have been nominated.

The republican ticket is an excellent one and it will be elected by a handsome majority.

IN an interview the other day Chairman Jones, of the democratic national committee, expressed the fear that the sound money democrats may secure control of the national organization of the party at the coming convention. From this it would appear that democracy is still divided on the money question; though the statement has frequently been made of late that the party had been united.

DINSMORE, the Buffalo county murderer, has been found guilty as charged, and will no doubt meet his just deserts at the end of a rope, as it is not likely that a rehearing, even if granted, will result in a different verdict. It is the general opinion that Mrs. Laue was an accessory to the crime and deserves such a verdict as was given Dinsmore.

UP to date the English casualties in the Boer war have been 2,618 killed, 8,747 wounded, 1,029 deaths from disease and 3,483 missing, a total of 15,677. Will the results attained justify the sacrifices made?

WHEN Attorney-General Smythe collects those six hundred thousands dollars from the railroads of Nebraska for violating the orders of the state board of transportation, the millenium will be close at hand.

QUITE a number of democrats, who believe in the application of business methods in the conduct of city affairs, have announced their attention of supporting the republican city ticket. The confidence they repose in the republican nominees is not misplaced.

THE democrats of Cheyenne county will present Robert Graham as a candidate for state senator in this district. Mr. Graham is a wealthy stockman and a fervent Bryan democrat. Cheyenne county claims that it is entitled to the senatorship.

THE whisky trust has began proceedings in Brooklyn to close up its affairs, and the petition filed in the case represents that a surplus of one million dollars has been lost in the last four years. And this will be the ultimate end of fully nine-tenths of the trusts now in existence.

THE author of the Harrington letter proclaiming that after 1900 there will be no more fusion in Nebraska announces that he will not compete for congressional honors in the Sixth district this year. What a relief this must be to the friends of Congressman Neville.—Bee.

A PECULIAR case will soon be on trial in an Idaho court. A tramp who was injured in a car while stealing a ride has brought suit for damages, alleging negligence on the part of the employes of the company because, although they knew where he was and that he ought to be off, they did not put him off.

THE mass convention held at the court house Saturday evening to nominate a city ticket in opposition to the ticket nominated by the republicans, was a rather weak affair, and the result of its labors is even more weak. At least two of the nominees have declined to accept the nomination—they are not yet willing to offer themselves as sacrifices.

A Baby's Birth

is very much like the blossoming of a flower. Its beauty and perfection depends entirely upon the care bestowed upon its parent. Expectant mothers should have the tenderest care. They should be spared all worry and anxiety. They should eat plenty of good nourishing food and take gentle exercises. This will go a long way toward preserving their health and their beauty as well as that of the little one to come. But to be absolutely sure of a short and painless labor they should use

Mother's Friend

regularly during the months of gestation. This is a simple liniment, which is to be applied externally. It gives strength and vigor to the muscles and prevents all of the discomforts of pregnancy, which women used to think were absolutely necessary. ONLY ONE CURE FOR SCROFULA.

S. S. S. Is the Only Remedy Equal to this Obstinate Disease.

There are dozens of remedies recommended for Scrofula, some of them no doubt being able to afford temporary relief, but S. S. S. is absolutely the only remedy which completely cures it. Scrofula is one of the most obstinate, deep-seated blood diseases, and is beyond the reach of the many so-called purifiers and tonics because something more than a mere tonic is required. S. S. S. is equal to any blood trouble, and never fails to cure Scrofula, because it goes down to the seat of the disease, thus permanently eliminating every trace of the taint.

The serious consequences to which Scrofula surely leads should impress upon those afflicted with it the vital importance of wasting no time upon treatment which can not possibly effect a cure. In many cases where the wrong treatment has been relied upon, complicated glandular swellings have resulted, for which the doctors insist that a dangerous surgical operation is necessary.

Mr. H. E. Thompson, of Milledgeville, Ga., writes: "A bad case of Scrofula broke out on the glands of my neck, which had to be lanced and caused me much suffering. I was treated for a long while, but the physicians were unable to cure me, and my condition was as bad as when I began their treatment. Many blood remedies were used, but without effect. Some one recommended S. S. S., and I began to improve as soon as I had taken a few bottles. Continuing the remedy, I was soon cured permanently, and have never had a sign of the disease to return." Swift's Specific—

S. S. S. FOR THE BLOOD

—is the only remedy which can promptly reach and cure obstinate, deep-seated blood diseases. By relying upon it, and not experimenting with the various so-called tonics, etc., all sufferers from blood troubles can be promptly cured, instead of enduring years of suffering which gradually but surely undermines the constitution. S. S. S. is guaranteed purely vegetable, and never fails to cure Scrofula, Eczema, Cancer, Rheumatism, Contagious Blood Poison, Boils, Tetter, Pimples, Sores, Ulcers, etc. Insist upon S S S.; nothing can take its place.

Books on blood and skin diseases will be mailed free to any address by the Swift Specific Company, Atlanta, Georgia.
