Weeks-Barracough Wedding.

The Barracough home on east Fourth street was the scene Wednesday evening of a very pretty wedding. The bride and groom were Miss Etta Barracough and Mr. Edward Weeks. The ceremony was performed by Rev. G. A. Beecher. About sixty guests, relatives and intimate friends of the bride and groom, were present. The bride's gown was a very handsome tailor-made costume of tan cloth. The maid of honor was Miss Lillie Freeman, a cousin of the bride. The groom was attended by Mr. Albert Babbitt. The entire house was very prettily decorated with potted plants and cut flowers. After the ceremony an elaborate wedding supper was served. Mr. and Mrs. Weeks were the recipients of many handsome presents. For the present they are at home at the Hotel Neville but they will leave in a short time for the west.

The bride is the oldest daughter of Mr. and Mrs. Fred Barracough and has spent all of her life in North Platte. She is a very estimable young lady possessed of many fine traits. The groom, who is the oldest son of Mr. and Mrs. Joseph Weeks, has also grown up in North Platte. Until recently he was a boiler-maker in the employ of the Union Pacific, having learned his trade here. He is a fine, straightforward young man and both the bride and himself have hosts of friends with whom THE TRIBUNE unites in wishing them a long life replete with happiness and prosperity.

Entertained at Cards.

"Cinque," a card game very similar to regular high-five, was the amusement feature at a party given Wednesday evening by Mr. and Mrs. Sam'l Goozee, and it proved a most enjoyable game to the fourteen or sixteen couples present. The partners in the game were selected by means of uncompleted quotations written on slips of paper, the gentleman seeking for his partner the lady having the sequel to that written on his slip. As the quotations were familiar this required but a brief time. The guests proved a most congenial crowd, and this with the hospitality displayed by the host and hostess made the affair a very pleasant and successful one. At the close of about a dozen games a three-course collation of salad, wafers, coffee, ice cream, cake and salted almonds and confections were served. This latter feature was none the less enjoyable than the card games. In entertaining Mr. and Mrs. Goozee were assisted by their daughter Miss Mabel and Misses Jessie Bratt, May Walker and Ruth Paterson.

Exhibit of School Work.

An exhibit of the work of the city schools is being made at the high school building. Yesterday the exhibits were made at the various school rooms and they were visited by quite a number of the patrons. Quite a number of the rooms were very nicely decorated with potted plants. The teachers were all on duty to give their visitors any information they desired concerning the work. The exhibit taken as a whole is certainly a very creditable one and shows that the pupils of the schools have accomplished much although the work has been hampered by many difficulties. In some of the rooms very daintily decorated covers were used but in the majority of instances it was just the plain every day work of the pupils and one could tell very readily just how much was accomplished.

Campbell's Show.

The great Campbell Bros. big two ring railroad shows will be in North Platte on May 4th. Look for it. Watch for the big street parade at 10 o'clock a. m. Not a single unattractive act or feature presented. We consider that the best is not good enough for our friends and patrons. \$20,000 troupe of the greatest performing savage wild beasts ever gathered and educated by mortal man. Their startling and thrilling performances have never been—can never be duplicated. Lions, tigers, white bears, leopards, and German boar hounds form pyramids, drill and waltz.

Tigers are driven at full speed by a lion, tigers ride on bicycles and revolve on rolling globes. They are truly the wild beast wonders of the century.

No other show gives so much and so good for the money as Campbell Bros. United Shows. In all the years since it was first organized it has never been guilty of one dishonorable act, or practicing one imposition on its thousands of patrons. No gamblers or fakirs follow this show. You will say for once in your life you have seen only honest men with a big show. An army of men raise the largest tents ever in your city, and the wonderful discipline of all will call forth admiration from you. Truly the discipline and accurate movements equals that of any company of well-drilled soldiers. Come to the show grounds early and see the big tents raised without an oath or vulgar word.

One ticket admits to all and there will be no extra charge after you enter the canvas. You can bring your wife and child for the same price of admission you will pay for one ticket to a show that will not be one half so good and grand as the show we bring to you at a price so small all can go and enjoy it. Remember the day and date, Friday, May 4th.
