indicates activity any recreation. That hits me, because I drive things to supply other drivers with vehicles. My carriages would be singled out in a procession by their happy union of strength and style. Whatever bears my name will do the owner veteran service. One of my dashing turnouts is a prize which any one might covet.

Council Meeting.

A meeting of the city council was held in the office of the county judge Saturday night. The principal business transacted was the estimating of the city's expenses for the coming fiscal year and the appointment of committees. The following is the estimate of expenses: Salary, \$2,400; electric light, \$2,000; fire fund, \$700; streets, bridges, culverts, etc., \$1,000; general expenses including payment on floating indebtedness, \$3,500; water hydrant rental, \$3,230; waterworks judgment \$3,400. The total amount estimated is \$16,230. The \$2,000 for electric light is included in the estimate in accordance with a resolution passed by the council several months ago to the effect that they would make the five mill levy which they are legally entitled to do so that the city would be in a position to accept a proposition if it was made and not be compelled to wait another twelve months.

The committees appointed were as follows: Judiciary, Peterson, Lloyd and Isenbart; finance, Iddings, Weingand and Sullivan; claims, Weingand, Sullivan, Lloyd; sidewalks and bridges, Sullivan, Lloyd and Iddings; police, Iddings, Weingand and Peterson; streets and alleys, Weingand, Sullivan and Iddings; bills, Lloyd, Isenbart and Weingand; public privileges and elections, Sullivan, Isenbart and Peterson; fire, Isenbart, Peterson and Lloyd; water, Iddings, Peterson and Isenbart.

Councilman Isenbart was elected president of the council for the ensuing year.

District Court.

An adjourned term of the March term of court was held Saturday. Judge Grimes heard most of the cases but the case of the Valley Land and Cattle Co. vs H. B. Read was up before Judge Sullivan. The evidence in this case was taken at the term of court held in McPherson county but the arguments were made here. Judge Sullivan did not pass upon the law points but took the matter under advisement. Judge Sullivan also heard the motions for a new trial in the Austin Grader Co. vs W. M. Hinman case and the Egan-Beer case. He over-ruled the motions in both instances. It is probable that a settlement will now be made in the former case but the latter will be appealed to the supreme court. Judge Grimes granted a decree of divorce in the case of Mattie Lomax vs Wm. Lomax and gave the plaintiff the custody of the child. The rest of the cases were chiefly foreclosures. The term was adjourned until June 25th.

BETWEEN THE RIVERS.

A stray horse buyer occasionally strikes the valley where he purchases a few and then "hits the trail" for other fields of labor in his line.

G. M. Smith foreman of the section at Hershey had a crew of men setting out trees on his farm near Spuds a part of last week.

We understand that Will Funkhouser who left Hershey some time since for Sacramento, Cal., to sell the "Favorite Washing Machine" for L. Strickler is at this time on his way home and is stopping a few days with his wife's parents, where she has been visiting for a time, at Lincoln.

The first crop of alfalfa in this locality will be ready to harvest by

the first of next month if nothing happens in the meantime to stop its growth.

E. C. Thompson who has been laid up with rheumatism for the past two months is now able to navigate with the aid of crutches.

Charlie Erickson of Nichols is farming a tract of company land west of that station and near the south river bridge.

N. B. Spurrier has his residence, corrals, wind mill and pump in good order on the Furr land over south and Steve Fortune and family have taken possession of it for him and will care for his stock that was recently taken over there.

This week will about wind up corn planting in the valley for this season.

C. C. Wetzel has been having a scrap with rheumatism lately.

Gnats are on the war path again in full force.

Miss Jessie Ware, who had been visiting at the county seat for the past week or more, returned home Friday last.

W. J. Shinkle finished loading baled hay at Hershey for Seeberger & Co. the last of the week.

The Nichols cream separator station will, it is thought, be completed and ready for business by the first of next week.

A gang of men under S. L. Funkhouser are repairing the old canal and getting it in good condition to carry water the coming season.

Roy Spurrier departed Friday for Camp Clark in the vicinity, of which he will ride the range this season.

Mrs. Fanny Brooks and the writer spent Saturday and Sunday with relatives at the county capitol.

J. B. Aveline has been loading baled hay at Nichols the past few days.

J. H. Hershey and daughter Helen of North Platte came up to Hershey on Friday evening.

Sugar beet planting is in full blast this week in this section of the county.

Fred Blaise has a small wheel with a flange on it attached to his "bike" by an iron rod so that the wheel will run one one rail and the two wheels on the other rail of the railroad track. He has made several trips up and down the track with it lately.

The engine for the old canal company's dredge boat has arrived and has been put in its proper place on the boat at the head gate where it will be put at work in a day or two.

The old canal company's new residence at Hershey is about completed. It adds much to the appearance of the north part of the village.

NEIGHBORHOOD NEWS.

The Southam-Allen Land, Irrigation and Cattle Co., with headquarters at Gothenburg, filed articles of incorporation with the secretary of state last week. The

capital stock is five million dollars. It is understood that this is the syndicate that secured an option of several hundred thousand acres of Union Pacific land in Lincoln and Dawson counties.

Up to date the Dinsmore murder trial has cost Buffalo county over three thousand dollars and the end is not yet.

Armand Berger, of Dawson county, has taken a car of export horses to Antwerp, Belgium, and will bring back three Percheron stallion from France.

Matt H. Signor, of Lexington, who is a lieutenant on the U. S. cruiser Castine, will be married tonight to a daughter of Judge Emory Speer, of Macon, Georgia.

Emil Deaser, of Dawson county, captured eleven coyote whelps the other day by digging them out of a den in the ground. He later killed them and received the state bounty of a dollar a head.

W. H. Tappan, of Logan county, was arrested last week for shooting a prairie chicken and fined five dollars and costs. It would be a good thing if violators of the game law in Lincoln county were treated in the same manner.
