The reception to the outgoing and incoming secretaries of the Y. M. C. A. will be held at the rooms this evening. Short addresses will be made by Messrs. McDill, Hollingsworth, Sheppard, Beeler, Cunningham, and others. Vocal and instrumental music will be rendered. Citizens are urgently invited to attend.

A crowd of young men and boys have of late been gathering in front of several of the churches and by the use of boisterous and ungentlemanly language have caused the worshippers inside much annoyance. The officers have been appealed to and they will see that such crowds no longer congregate.

We desire to call your attention to our "Pink Dorothy" pattern of English Semi-porcelain, the finest pattern that comes from England's potteries, made by W. H. Grindley & Co. If you want something nice and can't afford china, buy this and you will be more than pleased. HARRINGTON & TOBIN.

A hay dealer informs us that the hay in Lincoln county has practically been cleaned up, and that in his opinion there is not to exceed fifty carloads of marketable hay in the Platte valley between Brady and Sutherland. The good prices at the close of the season has resulted in producers selling about everything in sight. To-day good hay on cars at this point is worth \$7.30 a ton.

Dr. Hannah, Osteopath, Office opposite Hotel Neville, North Platte.

Mrs. Wilson, the professed "specialist," who had been stopping in town for several weeks, went to Lexington Saturday night. This "specialist," who claimed to be a licensed practitioner, failed to file her license with the county clerk as required by law, and this led to the general belief that she did not possess such license. It is said that through ignorance she was guilty of maltreatment of a patient, and it was by reason of the latter that she suddenly left town.

### COMMITTEE.

#### Summoned to Annapolis.

Nathan Post received a telegram last evening notifying him to appear at Annapolis for examination for cadetship. Golden, who was appointed, failed to appear, and Post being the next in standing takes the former's place. He will leave for Annapolis Thursday.

Here's hoping that Nathan will successfully pass the requirements and thus represent North Platte in the naval academy.

### Commencement Exercises.

The commencement exercises of the North Platte high school will be held this week. The Class Day program will be given Thursday evening at the opera house, and will consist of a farce-comedy entitled "A Crazy Idea," the personae embracing the entire class, assisted by W. V. Breyer and one or two others. This play is said to be quite amusing, and the young ladies and gentlemen will display considerable talent in the production of it.

The regular commencement exercises will be held at the opera house Friday evening, and for this the following program has been arranged: Music, Gordon Cornet Band; invocation, Rev. G. A. Beecher; music, Gordon Cornet Band; salutatory, "Will it Pay," William Arthur Otten; vocal solo, Ira L. Bare; address to the class, H. S. Ridgely; violin solo, Alvin Pool; presentation of diplomas, J. G. Beeler; vocal solo, Rev. H. A. Wolfe; valedictory, "Knowledge and its Power," Miss Sadie Bakewell.

The members of the Baptist church met in the League room of the Methodist church Sunday afternoon and thoroughly considered the reopening of their church. After the appointment of a committee to solicit funds the meeting adjourned to meet Monday evening at the home of Mr. Hogsett. The church met pursuant to adjournment, and after listening to a most favorable report from the committee, extended a call to Mr. C. Percy Kirby to the pastorate for the summer months. As soon as school is out the seats will be removed from the building and the trustees will immediately take steps to thoroughly repair the house and hope to have it in readiness for occupancy by the first Sunday in June. A prayer and Bible study service will be held next Sunday afternoon at the home of Mr. Grant. It is certainly to the honor and integrity of the church that every dollar of the indebtedness incurred by Mr. Fisher has been paid, and the church has sufficient money on hand to make all necessary repairs.

Harrington & Tobin has shipped over 500 cars of hay during the past season, or an aggregate of nearly six thousand tons. The average price paid during the season has been about five dollars per ton on car. It will thus be seen that the hay interests in the section tributary to North Platte is of considerable importance.

Single-decked stock cars are being rushed through to Ogden, and it is understood heavy shipments of cattle will be made to Nebraska, where the animals will be pastured during the summer.

The Woman's Missionary Society of the Presbyterian church rendered a very interesting program at the church Sunday evening. A missionary offering of twenty-five dollars was made.

Arthur Rush has been in bed since last Saturday morning suffering from an attack of stomach trouble. He is reported somewhat improved today.

Fifteen or twenty young society people held an enjoyable dance at Federhoof's hall last evening.

A dozen or more wagons loaded with hogs came in from Gandy last evening.

## Railroad Notes.

Boyd Dickinson, who has charge of one of the U. P. fencing gangs, came up from Overton Saturday and spent Sunday at home.

The business men's association of Kearney made an excursion over the Black Hills road yesterday as the guest of Supt. W. L. Park.

O. V. Morrison was relieved of the day foremanship of the round house Sunday and is succeeded by J. Shoemaker, who at one time held a similar position at Cheyenne.

The thirteenth train crew was put into service on the Third district Friday afternoon. F. L. Rork is the conductor and Mason and Brown are the brakemen. This puts John Ell and Henry Rebhausen at the head of the extra list.

The local train and engine crews have been directed to report to Dispatcher Roth for examination in the standard rules of train service adopted by the company ten years ago. The object of this is to ascertain whether the men have been refreshing their memories relative to the rules.

The latest railroad rumor effecting North Platte is the revival of the story that the B. & M. will build from Kearney to this point, paralleling the Union Pacific. While this has often been referred to in the past and not materialized, yet there are reasons to believe that the line will eventually be constructed.

Albert Parks, an employe at the coal schutes, while descending from the top platform Saturday night, lost his footing on the ladder and fell to the ground, a distance of about twenty feet. He struck on his head and was rendered insensible, but later recovered consciousness and managed to reach home. A physician who was summoned found a fracture of the skull and internal injuries. The unfortunate man is in a critical condition.

The band concert Saturday evening drew out a large crowd. It is hoped that the citizens will contribute liberally so that these concerts may be continued during the summer months.
