June 21, 1900.

Board met pursuant to adjournment, present full board and county clerk. Dr. McCabe makes complaint that his assessment in Rosedale precinct is too high, and hearing set for June 23, 1900. Adjourned until tomorrow.

June 22, 1900.

Board met pursuant to adjournment, present full board and county clerk.

The board continued work as a board of equalization and not having concluded their work in that line adjourned until tomorrow.

The rival candidates for congress in the First district of Illinois are Mr. Mann and Mr. Organ. In the congressional election in Kentucky two years ago Mr. White was the republican and Mr. Black the democratic candidate in the Eleventh district of that state.

BETWEEN THE RIVERS.

Small grain and corn are giving the "hoppers" a hard chase in the valley.

Mrs. F. J. Cook and sister are visiting relatives in Denver at the present time.

Everett Ware captured a six pound catfish in his wheat field last Saturday while irrigating.

Tift Bros. hay outfit is cutting and baling new hay on the south side for M. C. Harrington.

Tyler Hollingsworth is once more using a shovel on the Nichols section with Foreman Erickson's gang.

A number of acres of fall grain in this county which is more than an average crop will be harvested this week.

Twenty-five cents will purchase you a first-class meal at Mrs. Carpenter's home in the village of Hershey.

R. W. Calhoun returned Thursday from McPherson county with a herd of cows for the Nichols separator station.

As there is no celebration on July 4th near at hand the citizens in this part of the county will remain at home.

V. M. Loker is at this time working on the section east of the North Platte bridge in Foreman J. W. Bergman's crew.

Mrs. Rengler and her daughter May returned to their home at Overton Saturday after a few days visit with relatives in Hershey.

Frank Ware made a trip to Kearney on his wheel last week returning on the same as far as Cozad where he took train No. 101 for Hershey Saturday.

Merchant Mickelsen of Hershey is arranging to put a new foundation under his store building and also to paint the same both inside and out in the near future.

Mrs. W. L. Brownfield and Mrs. H. E. Stone and children of Hershey, spent the first of this week with relatives and friends at Paxton.

If you want to see the finest lot of thoroughbred Norman horses, Short horn cattle, and Poland China hogs in western Nebraska, go to Wm. H. Sullivan's farm at Nichols.

Geo. E. Sullivan who has been on the sick list for a long time is now able to be out and see to his farm work but it is still unable to perform manual labor.

A few sports (?) in this locality are getting a little previous in shooting prairie chickens and quail. They are liable to be pulled over the law with a fine of \$25 and costs. Better go a little slow.

For some reason best known to themselves the Sutherland gun club failed to put in an appearance at Hershey last Saturday where they had arranged to shoot a match with the home club. On the Saturday previous the Hershey club went up to Sutherland and defeated the home club easily. When it was announced that the Sutherland club was not coming the Hershey boys indulged in a shoot by choosing sides and having a royal good time all around.

NEIGHBORHOOD NEWS.

The Union Pacific railroad company now has the entire line of its road in Dawson county fenced for fifty feet on each side.

An effort is being made at Callaway to have deputy county offices placed at that town to accommodate the patrons of the west end of the county.

It now seems that Dinsmore has a new lease of life, as the supreme court has given him ninety days to file a brief pending an appeal. He was to have been hung on July 20.

It is said that more milk is handled at the Hemmingford skimming station than at any other station in the world. Over 56,000 pounds of milk were received there in three days recently.

The grade between Sidney and Bridgeport is all completed and accepted, with the exception of one mile of Jas. Kyners' work. This will probably be finished this week. Jas. O'Connor finished his work east and north of town Tuesday. D. J. Griffith's and Dillou and Pat-

erson's work is still unfinished on the line from Sidney south to the state line.—Sidney Telegraph.

We are informed of a new way of catching rabbits in vogue among some of the boys. A coil of hose about one inch in diameter is used, which they pay out down a rabbit hole until the bottom is reached, the mouth of a sack being placed over the hole. A cheerful shout down the hose will bring the rabbit out at a double quick gait into the sack and it is all off with bunny.—Sidney Telegraph.

Bryan is on record with the opinion that nothing could have been gained in 1896 by the withdrawal of Sewall in favor of Watson or Watson in favor of Sewall. If Mr. Bryan's friends at Kansas City take the hint the kite will have two tails again in 1900.—Bee.
