Nineteen members of the Rebekah Degree, including the working staff, went to Cozad Saturday morning to confer degrees on a candidate, and to attend a picnic. On the way home from the picnic a carriage containing several North Platte ladies was overturned through reckless driving. Mrs. Miltonberger was injured on the shoulder, Mrs. Dick was considerably bruised and Mrs. Klein had her face and head scratched, but they all considered themselves fortunate that the injuries were not more severe. At the picnic Judge Hoagland, who accompanied the party as chaperone, organized two ball teams, one composed of Cozad ladies, the other of North Platte ladies. Mrs. Cunningham being the captain of the latter. The game, which was won by Cozad by a score of ten by five, proved very amusing. Barring the accident the ladies enjoyed their visit at Cozad very much.

YOUNG MEN'S CLOTHING.....

Of Proper Style and At Reasonable Prices

Is rather difficult to find. This is because there is really very little difference in the cost of manufacture between young men's and men's sizes. The only difference is in the quantity of material used. The tailoring costs precisely the same. We, however, recognize that young men, or boys, as their mothers prefer to call them, must have clothes of smaller cost than men; clothes must be stronger at many points than men's clothes. We solved the problem by simply cutting off a big portion of our legitimate profit on Young Men's Suits, which is the only way we can sell garments of exceptional quality at popular low prices.

It is said that the supply of ice at the Union Pacific houses will not last to exceed three weeks with the ordinary run of fruit. A measurement of the ice is being made today.

Joe Ottman went to Sidney yesterday and in company with other section foremen will make a trip today over the Third district in an observation car. These trips are made at stated intervals in order that the foremen may observe the conditions in which the respective sections are kept.

Rueben Lisco is scouring the country to find hay hands at \$1.50 per day. Wonder how this sounds to the Brvanites who were getting 50c and 75c in 1896 and who took so much pleasure in quoting what Bryan said to the republicans at the Chicago convention? "You shall not press down on the brow of labor this crown of thorns, you shall not crucify mankind on a cross of gold." If a man had made as many false prophecies two thousand years ago as Bryan did in 1896 they would have stoned him to death.—Chappell Register.

The two engines which came together near Sunol were brought down Sunday and have gone into the shops for repairs. Both were in pretty bad shape.

Wm. Willetts, an employe of the boiler shop, Roscoe Reese, a day laborer at the machine shop, took their time checks yesterday and will leave for other fields.

John Ambler, of Dorp, who was in town yesterday, says he will have excellent corn this year. Last year he had 5,000 bushels of corn this year he will have more. He also has forty stacks of small grain. Mr. Ambler is a good farmer and seems to be making money out of Logan county land.

Prof. Boyce, chairman of the state populist committee will address the people of North Platte and Lincoln county in this city on Tuesday of next week, August 28. Populists of the county are invited to attend this meeting and select delegates to the congressional convention to be held at Broken Bow on September 7th.

People and Events.

Rev. Kirby went to Grand Island yesterday to visit his mother for a week.

Miss Addie Kocken returned the latter part of the week from her visit in the east.

John Ottenstein returns to Quincy, Ill., next week to resume his studies in college.

Roy Vernon returned Saturday evening from Wyoming, where he spent several days fishing.

Dr. Northup is home from a week's professional visit to Gandy and other Logan county villages.

Mrs. W. T. Wilcox and children, left Saturday morning for a visit in Denver, and other Colorado towns.

Joe McGraw, who is working at Chappell, came down Sunday to accompany Co. E to the Hastings encampment.

Prof. Garlich and Master Carroll Evans, who had been visiting in town for ten days, returned to Columbus yesterday.

W. H. C. Woodhurst went to Seward last night to adjust a fire loss which his company sustained at that place last week.

The W. R. C., which shared in the profits at Hoagland's soda fountain last Friday, netted twenty-one dollars by their earnest work.

Mrs. W. H. C. Woodhurst and children went to Denver Sunday where they will visit for some time. The trip is made with the hope that the climate will lessen the attack of hay fever with which Mrs. Woodhurst is troubled.

Mr. and Mrs. H. S. White leave next Friday for Chicago to take in the sights during the national Grand Army reunion to be held next week. Mr. White will also attend a reunion of the members of the regiment of which he belonged during the civil war.

The Pool Benefit Concert.

The benefit concert given Alvin Pool at the opera house Friday evening was attended by a large audience and the program rendered seemed to give excellent satisfaction. The twelve numbers consisted of two selections by the Parlor Concert Klub, vocal solos by Mrs. Hershey, Miss Webber and Mr. Bare, violin solos by Prof. Garlich, Mr. Pool and Master Carrol Evans, readings by Miss Grace Bratt, piano solo by Miss Jessie Bratt and a trio by Mr. and Mrs. Doolittle and Mr. Clinton. The performers were liberally applauded and nearly all responded with encores.

Master Evans, of Columbus, seven years of age, won the applause of the audience by the clever manipulation of the violin, and he certainly gives promise of becoming a violinist of note.

Mr. Pool leaves for Chicago in about a week to enter a musical school for the purpose of further perfecting himself on the violin. The best wishes of our people will accompany him, and we feel certain that he will make excellent use of his time while there.

The piano used at the concert was kindly donated by Ginn & Weingand.

J. W. Hiles, living near Gothenburg, has 240 acres of broom corn which he figures will yield fifty tons. He will receive in the neighborhood of twenty-five hundred dollars for the crop.

The Subject Most Discussed.

among dressy men at this season of the year is the new Fall shoe. Clothing and linen may be just right, but a poorly shaped, ill-fitting out-of-date shoe will depreciate their good effect. Here you will get not only good shoe style, shoe value and shoe finish, but solid shoe comfort. The shoes we keep are worth examining, worth buying, worth wearing.

An Important Innovation.

The Omaha Bee of last Saturday says that an important innovation relative to the operating employes of the Union Pacific railroad company will be inaugurated September 1. It will be the introduction of the system of discipline by record, and after its operation begins the suspension of employes from duty, with consequent loss of time, will be discontinued. Instead of this practice, which has been indulged in from the beginning of the history of the Union Pacific system, discipline will be maintained by reprimand, book suspension or dismissal from the service.

When an employe has had a reprimand or a suspension entered on his record satisfactory service for a given length of time will cancel the debit side of the account. A reprimand will be canceled by a clean record of three months, five days of suspension canceled by a clean record of six months and so on until sixty days of suspension will be wiped off the list by a clean record of eighteen months. In this way an employe who through some act of indiscretion or inattention to duty gets a suspension charge against him, instead of being compelled to quit work, continues on with his duties and by performing satisfactory service for a certain length of time is enabled to clear up his record.
