The local Y. M. C. A. under the supervision of Secretary Sheppard is making considerable advancement and there seems to be a renewed interest in the work. The rooms present a scrupulously tidy and inviting appearance, and with the advent of cool weather there is a noticeable increase in the evening attendance at the rooms. Recent additions to the library have been made and members now have fourteen hundred volumes from which to select their reading matter. The present membership is 245, but considering the advantages which a member receives, the enrollment should be double that number.

A Meeting That Failed.
Tim T. Keliber issued a call a couple of weeks ago for a meeting of the populist county central committee last Saturday, but for some reason the committeemen failed to materialize and the "important business" for which the meeting was called went by default.

We presume this can be taken as evidence that the populist party in Lincoln county has gone over body and soul to the democrats, and had Mr. Keliber made the call read "democrat" instead of "populist" he might have secured a fair representation from the country precincts.
