Unless something extraordinary occurs, work on the temple will begin next spring. It is said that verbal offers for the lease of the store-rooms in the building have already been made.

Beautiful is the word to describe the line of Music Rolls, Writing Cases, Pocket Books, Card Cases, and other Leather goods at DOOLITTLE'S.

If Ringler, now in jail in this city, is guilty of all the criminal charges which are laid at his door he is in reality a very bad man. One of the latest opinions rendered is that Ringler is the fellow who was shot while attempting to burglarize a house in Scotts Bluff county three years ago. He was manumitted by the charge of bird shot which entered his left breast, captured and placed in the jail at Gering. Although a guard was placed over him he managed to escape overnight and was not heard of afterwards.

A. L. McKinnis, a breeder of Galloway cattle living eighteen miles south of town, was a business caller at this office today. Mr. McKinnis has sold several head of his cattle to North Platte people.

Last summer Mrs. Wm. Diedrich, living near Brady, filed a petition for divorce from her husband on the grounds of cruelty and then left with her young son for the home of her parents in Ohio. Diedrich followed her there and attempted to take the child but his wife locked the door on him. He then attempted to batter down the door, but was overpowered by passers-by who were asked to do so by Mrs. Diedrich. For this he was fined and given a short jail sentence. After being released from jail, he secured the assistance of two men and going to the house overpowered his wife, took the child and started for West Virginia, but was arrested before getting out of Ohio by the sheriff. Diedrich is now in jail in Ohio on the charge of kidnaping. In view of these acts of Diedrich Hoagland & Hoagland, representing Mrs. Diedrich, have filed a supplemental petition in the divorce proceedings in the Lincoln county district court.

Tom Quinn, of Denver, is visiting relatives in town.

Mrs. H. S. White will return from Kansas the early part of next week.

At no place in town will you find so fine a line of fancy china, statuettes and handsome stand lamps as at Harrington & Tobin's.

A Correction.

In another column a statement is made relative to the visit of a grand officer of the Knights Templar, which is erroneous. The party giving us the item was evidently a little mixed, as the event which is to occur is the installation of officers of Euphrates Chapter on Friday evening, Dec. 21st. Following the ceremonies refreshments will be served at one of the restaurants.

A novel cargo is now enroute from Dillon, Mont., to Troy, O., over the Union Pacific and Milwaukee roads. It is a special trainload of bulls, and railroad officials interested assert that never before have there been so many bulls in one shipment. The train will consist of twelve cars, and will be in charge of J. S. Combs of Dillon, the consignees being George Peters & Co., at Troy. The animals are said to be as fine stock as could be gathered in the entire state of Montana, and inquires at the local offices of the Milwaukee and Union Pacific have been numerous from cattlemen who desire to inspect them when they go through. The date of their arrival has not yet been determined, but all of the inquiries will be answered as soon as definite information is at hand.—Omaha Bee.
