Plead Guilty to Killing a Calf.

Fred L. Disbrow and Chas. Blakesly were arraigned before Judge Baldwin Wednesday on the charge of killing a calf belonging to Joseph McNeel, reference to which was made in these columns Tuesday. Both men plead guilty to the charge. Blakesly was given a thirty day jail sentence and Disbrow fined fifty dollars, which fine was remitted in order that he might go forth and provide a living for his wife and six children.

Disbrow had been laid up for six weeks with a broken leg and also suffered from bladder trouble. The family is in destitute circumstances and Disbrow not being able to stand the cry of his six children for something to eat, hobbled out and shot the calf for which he was arrested.

Blakesly is the fellow who was sent to the pen a couple of years ago for breaking open a freight car and stealing goods therefrom.

The Phoenix Daily Gazette in an extended notice complimentary to Mr. Gillett, says he is the most capable young railroad man in the southwest, and one of the most popular men that has ever made Phoenix their home. "Human Hearts."

At the opera house on Tuesday, March 5th, the realistic and touching melodrama, "Human Hearts" will be presented with a strong cast and elaborate scenery. Its pathos is affecting, its mirth irresistible and its dramatic situations strong and stirring. It is presented with strong realism both in its setting and in the action which reveals with marked clearness and force its very strong plot.
