He has a place for everything and everything is in its place. BRANCH REPORTS.

The mothers' committee, at Kearney, Miss Lillian Shafro president of branch, has each member placed the names of five mothers including her own mother, with date of birth, on an official birthday card. As each day comes around some gift is selected from the birthday box that has been started by this band. The box contains the best efforts of the fancy work class, the needle work guild and the sewing circle.

Tryon circle is still surging ahead. It now has a membership of eighteen. The circle will send out Easter greetings to Crab Orchard band. Mrs. J. M. Patterson of Liac has been active in the work. Mrs. Geo. A. Dolph is the president of this band of workers.

The members of the Myrtle Division have not been idle during the month. Mrs. Blanch Wright dropped ten cents into the state exchequer, also contributed papers, and two garments; Mrs. Lizzie Keslar sent postmarks to the State Pres. of Maine. Mrs. Fred Quimbley and Miss Lottie Fuller wrote cheerful letters and also sent out other rays of cheer. The sewing circle has been busy preparing for their International Day but have not forgotten to pass on reading matter and to contribute Easter greeting.

our library by Anonymous of Gandy.

Seventy-five printed slips to be placed in the library books came from Miss Ada B. Coulters.

Below we give a paragraph from a letter written by H. M. Mould of Keeseville, N. Y. What a great field for good works the Sunshine Society has.

"I take it for granted you have met Rev. C. F. Graves of Shelton, Neb. At the request of a Gandy Sunshine member I wrote to him. He answered my letter and I found he had visited in Keeseville some years ago, at our next door neighbors, with a college friend, a young man who died some years ago. His two sisters are living and I was telling them about Mr. Graves, they remembered him and have sent him a four volume Bible dictionary that their brother had used."

Mr. Graves no doubt will always be grateful that a Sunshine Society exists.

Twelve valentines and six books were contributed by Sunshine members of North Platte.

The Argus of Boone county is devoting considerable space to the Sunshine Society. Mrs. F. M. Sackett has been appointed organizer for that county.

An invitation is extended to all members to gather up their odds and ends, and with some bright idea, transform them with some article to be sent out as an Easter greeting. You can either send them to this office for distribution or write us for the address of members to mail directly to.

In Minneapolis there has been formed a Sunshine band of young girls, all in their teens, who call themselves the Haynes Sunshine Band, after their president Mrs. Theodore Haynes. Several of the girls play so well on stringed instruments that they have formed themselves into a Sunshine stringed band, and are planning to play at the Children's home, and for the sick wherever it is desired.

Any one desirous of brightening

another's life finds ready admittance to the Sunshine society. Our initiation fees are not onerous, consisting of some kind act or the passing on of some article, that will bring cheer to another member.

A Competence

is assured the industrious settler on the WHEAT AND GRAZING LANDS of Western Canada. Should you have a friend settled in Manitoba, Assinibola, Saskatchewan or Alberta, write to him and ascertain what are his views of the country.

Thousands of Americans have settled there within the past four years and the universal verdict is that all are well satisfied. The FREE HOMESTEAD LANDS adjoin lands that may be purchased from the government or railway. In a few years they will yield the pain-taking farmer a competence for himself and family. The climate is healthy, food plentiful, taxes nominal, yield of wheat and other grains phenomenal, prices for produce excellent.

Railways, schools, churches, etc., convenient. Write for full particulars, maps, pamphlets, letters from settlers, etc., to F. Pedley, Superintendent of Immigration, Ottawa, Canada, or to
