The editor of this paper is in receipt of a letter from Dr. Seymour of Lincoln, who is to pay this city a personal visit in the near future announcing the recent birth of a fine boy at his home in Lincoln. We feel that the Doctor and wife are to be congratulated and trust that the new arrival, should he follow in the Doctor's footsteps, will be as successful in his profession as his father.

John Baker, of the Wild West Show, has sent the Commercial Club a number of sabres, swords, caps and other accoutrement of a soldier, some of which saw service in the Mexican war and the remainder in the civil war. One old army musket has been fitted into a hat rack, several sabres, saddle stirrups and bridle bits are grouped on a board, and the headgear of the Mexican war soldier is quite a curiosity. The collection is a unique and valuable, and the Club feels under many obligations to Mr. Baker for the donation.

Why Not Form a League.

As the base ball season is approaching, THE TRIBUNE would suggest that a circuit or league be formed consisting of North Platte, Kearney, Hastings, Central City, Schuyler, Grand Island and Minden be formed. It is understood that each of these towns will have a team this season, and if the managers would get together they could probably make arrangements for the formation of a seven-club league.

This is a matter that base ball enthusiasts in central and western Nebraska should take up and push to a finish.

E. B. WARNER.

City Clerk Bundy says that during the municipal year, drawing to a close, he has issued forty-eight dog licenses. The average citizen can thus judge about what per cent of the dogs running at large are taxed; we should say not to exceed twenty-five per cent. This small percentage shows what a farce an ordinance that is not enforced proves to be. The ordinance should during the next year be enforced; or else repealed. For several years past a few citizens have paid the tax while the many have not.

Comes for Jack Joyce.

Sheriff Goodall of North Dakota arrived here Wednesday night, his mission being to convey to his bailiwick Jack Joyce who is wanted there to face the charge of horse stealing.

Joyce had been here for a couple of weeks breaking horses for Colonel Cody, and was arrested last week by Sheriff Keliber on the charge preferred in the North Dakota court, who held his man until Sheriff Goodall's arrival. In the meantime, however, Joyce secured a writ of habeas corpus, and this was heard yesterday in Judge Baldwin's court.
