From the small amount of butterfat being shipped, it is quite evident that the separator station at this point is doing a mighty poor business. If the stockholders could get control of the plant they might be able to make the station a paying one.

C. R. Lawrence, of Sutherland, was in town yesterday sending the papers for a patent for a sugar beet harvester and topper. The machine is planned to take the beets from the ground, remove the top and crown, and elevate the beets to a wagon box. If it works as designed it will prove a great labor saving invention.

Quite a number of lots in the old town lot company's addition in the west part of the city have been sold recently. They have been purchased by parties who will build on the lots acquired. The growth of the town is largely to the west and owners of property in that section of the city are holding their lots a little higher than formerly.

During the past few days a great many soldiers from the Philippines have been passing east. A squad who went through were of the Thirty-sixth Regiment which was mustered out of service the latter part of January. Most of the boys are mighty glad to get home, as they regard soldiering in the Philippines a mighty mean job, owing largely to the intense heat.

Geo. L. Carter went to Lincoln yesterday noon. He is an applicant for the position of game commissioner under the new game law, and took with him the endorsement of all the leading republicans of the city. In addition to these he has letters from many of the leading men in different parts of the state. We trust Governor Dietrich will see his way clear to appoint Mr. Carter.

AMERICAN BEET SUGAR CO., Grand Island, Neb.

Terms of Contract for 1901.

Under the provisions of this contract the grower is assured of a fixed price for his crop. All beets testing 14 per cent or less will be paid for at the rate of \$4.00 per ton, 25 cents being paid for each per cent of sugar above 14, fractions in proportion. That is beets testing 14 1/2 per cent being \$4.02; 14 2/3 being \$4.05; 15 per cent \$4.25; 15 1/2 per cent \$4.27 1/2. An additional 20 cents per ton will be paid for all beets siloed. The factory will pay freight on all beets delivered by rail, cars to be loaded to their capacity, thus placing the grower at a distance on a satisfactory footing.

Further information or blank contracts can be obtained by applying to American Beet-Sugar Company, Grand Island, Neb., or E. F. Seeberger, Hershey, Neb.
