THE JEWELER,

The Semi-Weekly Tribune.

FRIDAY, MAY 3, 1901.

Judge Grimes went to Omaha this morning.

E. F. Seeberger is down from Hershey today.

Mrs. G. A. Beecher is spending a few days with friends in Sidney.

Mrs. W. J. Crusen expects to go to Omaha Sunday night to spend a week.

Attorney Ridgely transacted business in Curtis the early part of the week.

Rev. Geo. A. Beecher left Tuesday night for the Snake River valley to hold a ten day mission.

Mrs. A. S. Baldwin goes to Omaha Sunday night to attend the Grand Chapter of the Eastern Star.

Knights of Pythias are urged to be present at the hall this evening. There will be work in the ranks of page and knight.

Nearly all the business houses began closing at seven in the evening Wednesday, and employers and employees express themselves as well pleased with the change.

Wm Whitlock is planning a thirty day trip to South Dakota, the greater part of the time to be spent at Hot Springs. He feels that he needs a little physical rejuvenation.

There is some doubt expressed as to whether the Grand Island sugar factory will be operated this season, on account of a shortage in the acreage of beets.

Bishop Graves will preach at the Episcopal church next Sunday, morning and evening. The Bishop will no doubt be accorded large audiences.

Mrs. F. C. Letts and daughter Laura left this morning for Sterling to take charge of the Pacific hotel at that point. Mrs. Letts took with her several persons who have been in her employ here.

A large number of our people will spend Memorial Day at the McPherson national cemetery. We can assure all that they will be courteously received and well treated by Supt. Dow, who is anxious that as many North Platte people as possible visit the cemetery that day. Mr. Dow is preparing a very interesting program of addresses and music.

Smoked and Salted

fish and meats of the "good-to-eat" kind are always to be found at Harrington & Tobin's. They're good to start with, better when cured and packed as we buy them. The hams, bacon, mackerel, herring, codfish, canned salmon and sausage, you can get here of the A1 class—no "seconds" find a place on our counters or shelves. A trial order placed with us will please you beyond the peradventure of a doubt.

Mrs. Geo. Graham goes to Grand Island tomorrow to visit relatives.

An Aeolian, consigned to W. R. McKeen, jr., was received at the depot today.

Miss Lizzie Chittick, who has been teaching school in the Brady district, has returned to the city.

Amandus Kunkle returned last night from Pennsylvania where he was called about two weeks ago by the death of his mother.

A deed was filed in the county clerk's office yesterday conveying lots 5 and 6, block 34, and lots 1 and 2, block 23, from V. E. Meyer to T. H. Downs and M. W. Turpie.

S. C. Mecomber will go to Omaha tonight on business connected with the Order of Railway Conductors. In a week or so he will leave for St. Paul, Minn., to attend the general convention of that order.

The new city officials at Grand Island took their places Wednesday, and all gambling houses have been suppressed and wine rooms closed. The reins will be drawn tight on the saloons.

Strawberries have been in the local market this week, but the elevated price has been detrimental to large sales. In a week or ten days the price will be within the reach of our ordinary mortals.

If North Platte is to have a Fourth of July celebration, and the general opinion seems to be that it should, it is none to early to begin the preliminary arrangements by the appointment of the necessary committees.

Capt. Fred Grau will be officer of the day on Memorial Day and not Major Scharmann, as was published in the program Tuesday. Major Scharmann will spend the day at Ft. McPherson.

A congregational meeting was held at the Presbyterian church last evening to investigate the authorship of an anonymous letter received by the pastor, in which his work was criticized. The identity of the author was not ascertained.

A meeting of the High School Alumni Association is called for Monday evening, May 6, 1901. All members are urged to be present as business of much importance will be transacted. Meeting to be held at the Co. Supt's office at 8 o'clock. By order of the president.

The Clark men, who have held the grade on the disputed right-of-way in the vicinity of Uvada on the cut-off from Salt Lake to Los Angeles, have relinquished their rights by order of the United States court. The injunction, which abruptly stopped their progress, was issued in the interest of the Oregon Short Line.

The summary issued by Observer Piercy for the month of April shows the mean temperature for that month to have been forty-nine degrees, which is the average for twenty-seven years past. The precipitation for the month was 2.53 inches, which is a quarter of an inch above the average for the month. The precipitation in April last year was 3.34 inches, while in April 1899 it was less than one inch. The highest velocity attained by the wind during the month was 43 miles per hour.

Railroad Notes.

Engine 1711 is in the back shops for repairs.

John Singleton is acting division foreman until the successor to Mr. McKeen arrives.

Jno. Ellison is off duty on account of injuries received in the machine shop Tuesday afternoon.

Wm. Connelly, late in the tin shop, has been transferred to the round house as assistant stack inspector.

Engine 1837, which was held in for repairs on steam pipes and nozzle, is again in service on the Second district.

The appointment of Ed. P. Mullen as traveling freight agent for Union Pacific has been officially announced.

Engine 1702, badly demolished in the late wreck west of Cheyenne, went through Omaha this week for repairs.

John Quinn has been shifted to night pipe man at the round house, and Chas. Sapkin succeeds him as night stack inspector.

The first shipment of California cherries went through Wednesday. For the next few weeks shipments of this fruit will be heavy.

Three machinists, two tinkers and two helpers, and one boiler-maker and two helpers, who were working at night have been transferred to day service.

Traveling engineer Langdon went to Grand Island Tuesday night and went through to Cheyenne the following day on the engines pulling train No. 1.

Low Farrington was marked O. K. on the board Thursday for switch engine 791. There had been some doubt expressed as to whether Mr. Farrington would accept the position.

Tuesday was the last day of the cheap excursions to the coast and many took advantage of the rate. Train No. 3 Tuesday night had fifteen cars and train No. 1 Wednesday thirteen cars.

The first passenger train passed through the Sherman Hill tunnel Wednesday morning. Passengers express themselves delighted with the scenery on the cut-off and compare it favorably with the famous Sherman Hill.

In April, 1900, the total number of cars iced at this station was 482 and the ice required aggregated 779,700 pounds. During April, 1901, the number of cars iced was 704 and ice used amounted to 1,256,800. This is certainly a very marked increase.

There is said to be some question as to Alex Stuart coming here as division foreman though it is known that the place has been offered him and that M. K. Barnum would like to have him here. It is understood, however, that Mr. McKeen desires Mr. Stewart to remain on the Wyoming division. The matter will be definitely settled in a few days.

It has been suggested that a banquet be tendered District Foreman McKeen prior to his final removal from the city. We consider this a proper move and think the matter should be taken up jointly by U. P. employes and the Commercial Club.

Train No. 1 Wednesday had thirteen cars, and with the compound engine attached managed to make nearly the schedule time. President Burt's car was on the train and we understand he rode on the engine over the greater part of the Second district.

It is expected that H. J. Roth, who tendered his resignation as chief dispatcher here, will be relieved about the 10th. His successor has not yet been named, but it will probably be J. F. Clabaugh or H. E. Cox.

It is expected that an agent for the fruit express companies will arrive here in a week or so, as the business is now sufficiently heavy to justify having an agent here. Whether W. R. Soper will return this season is not known.

Trains from the west are much belated today owing to trouble on the Wyoming division.

Y. M. C. A. NOTES.

Wanted! Men that have made mistakes in life, to come to the Y. M. C. A. rooms next Sunday at 3:30 P.M. and hear Judge Hoagland speak on that topic. It is expected that the choir of the Lutheran church will assist with the music. All men cordially invited.

The Ladies Auxiliary meets tonight in the parlor which means something will happen soon that will be helpful to the young men.

The membership stood 329 in good standing, with twenty persons owing the Association various sums on April 30th. It is earnestly desired that these small sums be paid in as soon as possible. Now we mean to make this Association number 350 by June 1st. Every body please help us.

With Hershey, Maxwell, Brady, Gandy and Callaway increasing their mercantile establishments and striving for the trade which has for years come to North Platte, the merchants of the latter will be forced to get an extra hustle to them. The diverting of the trade which this city formerly held is a matter of importance, and why it is diverted and how to win it back are matters which should promptly be considered. A concentrated move in this matter would earn money for every business man in North Platte.

Andy Weisberg went to Chappell the early part of the week and disposed of his tree claim in Deuel county for a consideration of two hundred dollars.

To Teachers and Prospective Teachers

Among the school laws enacted during the last session of the state legislature the following directly concern you.

House Roll No. 189 places United States history among the requirements for a third grade certificate; reduces the number of third grade certificates which may be granted to any person from three to two; makes attendance at county institutes compulsory, and after July 1, 1903, includes in the requirements for a second grade certificate, examination in the Elements of Agriculture, including a fair knowledge of the structure and habits of common plants, insects, birds and quadrupeds.

Senate File 256 provides that in districts having boards of three members, in order to be legal, a teacher's contract made prior to the annual meeting must be signed by two members whose terms do not expire at the time of the annual meeting or the second Monday thereafter. It also provides that such contract must be agreed to by two members who are not related to the fourth degree (first cousins or nearer relationship) to the teacher.

The Free High School Attendance Law, Compulsory Attendance Law, and other new measures will be explained at county institute.

See announcement elsewhere regarding summer school.

North Platte, Neb., May 2, 1901.
