When You Buy Paint
Buy Good Paint...

And that means SHERWIN & WILLIAMS' PAINT. We have been handling this make for many years and have found that it gives excellent satisfaction in every instance. It may cost a trifle more per gallon than inferior paints, but it's cheapest in the end. It sticks and holds its color longer than other paint.

We can furnish you any color or quantity.

BETWEEN THE RIVERS.

We are told that where the first crop of alfalfa was taken off the ground just previous to the late rains that the second crop at this time is from four to six inches in height.

The Nichols creamery is still running with a daily increase of lacteal fluid and pays fifteen cents per pound for butter fat.

The annual meeting for the country school districts will be held on Monday evening of next week, June 24th.

Ellis Hollingsworth and Miss Maggie Manion, of the county seat, were Hershey visitors over Sunday.

Will Eshleman went west the first of last week on official business.

Considerable hail fell at Hershey and vicinity last Friday evening during the rain but no damage to speak of was done.

Strawberries both on the on the Otten and Park fruit farms that are from four to five inches in circumference is no rarity.

W. R. Brooks, of Nichols, sold J. C. Gyger of that place, a fine grade short-horn yearling bull the other day.

Mrs. Lottie Jones has as usual at this season of the year several hundred small chickens.

An effort is being put forth to raise money to build a parsonage for the pastor of the North Platte M. E. circuit in which Hershey and vicinity are included. Quite a sum of money has already been subscribed for that purpose. We are told that both North Platte and Hershey are negotiating for the structure.

Owing to the recent melting of the snow in the mountains and the late rains quite a body of water is flowing down the south river at the present time.

N. B. Spurrer of Nichols had forty-five acres of corn washed out on his southside ranch by the recent rains. He was at North Platte Monday to get seed to replant it.

A. L. Davis the North Platte hardware man was up in this locality a couple of days ago on business.

On Tuesday night of last week lightning struck two colts, a young mule and a fine work horse for O. H. Eyerly. The horse was killed instantly and the others were all badly stunned but will recover.

H. Newberry of McPherson county was down in the valley last week on business pertaining to his farm in this locality.

W. C. Cole of Spuds shipped a car load of fat hogs from that place to south Omaha a couple of days ago.

During the heavy wind and rain storm the fore part of last week in this locality the new U. P. tool house at the Nichols was upset into a ditch. The out buildings at the Nichols school house were shattered to pieces. J. B. Toillion's corn crib was blown against his house badly damaging them both but none of the inhabitants were injured. N. B. Spurrer's buggy shed was also capsized at the same time.

The party on a farm who prefers to fight grasshoppers instead of milking cows for a creamery is and always will be behind the times. I. B. Bostwick of the south side informs us that the coyotes are devouring his young calves at this time. Mr. Bostwick is one of the enterprising farmers in Nowell precinct.

Saturday was pay day for the patrons of the Nichols creamery which put several hundred dollars into circulation.

G. M. Cary and A. F. Beeler of Hershey recently purchased a red polled yearling bull of A. Cooledge over on the north.

R. W. Calhoun of Nichols was down to North Platte on Saturday last to see the directors and rider of the F. & M. irrigation canal and get them to stop the overflowing of said canal at that place.

A social for the benefit of Rev. Evans of Hershey was held in the hall at that place a few evenings ago. It was a success both socially and financially.

The F. & M. irrigation canal broke through the south bank near Nichols and has flooded that country as it has several times before.

Good Cheer.
Have you had a kindness shown
Pass it on,
'Twas not given for you alone
Pass it on,
Let it travel down the years,
Let it wipe another's tears,
Till in heaven the deed appears,
Pass it on.

Song, "Scatter Sunshine."

All letters, packages or inquiries concerning Sunshine work should be addressed to Mrs. Anna E. Moore, Myrtle, Neb., and notices for publication should reach us not later than Wednesdays.

BRANCH REPORTS.

A Sunshine branch has been organized at Maxwell, with Miss Ellen McCullough as president. Although newly organized yet the members are grasping every opportunity to do some kind act.

Mrs. L. C. Renau has been appointed president of the Tryon branch. Mrs. Geo. Dolph has changed her address to Theford and will continue active in Sunshine work in that place.

The Aborville branch Mrs. Jennie Wilcox, president, will send good cheer to Mothers' Jewels Home in York, and as their special work will care for a motherless family in that place.

The members of the Myrtle division never forget to scatter sunshine. The past month, Mrs. Keslar and children passed on literature and wrote cheerful letters. Miss Wright passed on magazines. Mrs. Phillips gave a quilt to another member, and several juvenile members are making scrapbooks as their sunshine dues.

GLEANINGS.

Miss Clarice Lansworth of Agee, Holt Co. reports sending magazines to Miss Griffen; Miss Vickeroy, music to Miss Newberry, as usual.

shine dues for May.

Mrs. H. J. Leinberger of Giltner sent flower seeds to Nesbit Sunshiners to help in the flower garden mission.

The annual convention held in New York May 2nd, was the best one ever held. The business meeting from 2 until 5 o'clock was full of interest. In the evening 2,500 delegates attended the reception held at Hotel Savoy, through the courtesy of Mrs. Fairchild Knapp, honorary state president of New York.

A member of the Myrtle Division has a number of foreign stamps he will exchange for other stamps. Another member will pass on Union Signals, official organ of the W. C. T. U. to any one who wishes them.

Mrs. Will Daley of Brady sent one hundred envelopes to this office as dues for May.

Mrs. Etta Bolckom of Nesbit passed on magazines as sunshine work for the month.

June is the beginning of the new year in Sunshine work, let every one help to make Nebraska's Sunshine record one to be proud of this year, and bear in mind we wish to hear from each member at least once a month, telling us of the way you have scattered sunshine.
