Chicago forecast for North Platte and vicinity unsettled but generally fair tonight and Wednesday. The maximum temperature yesterday was 86, one year ago 75. The minimum temperature this morning was 58, one year ago 64.

John Keith, a wealthy stockman of Sutherland and who owns extensive property in Omaha, is in the city looking after improvements which are being made on his property at Twenty-eighth and Harney streets.—Omaha News.

Officer McNamara ran up against a drunken and obstreperous hobo last night and found it necessary to use his club on him in order to land him in jail. Among the hoboes passing through are many vicious characters.

On account of the Union Pacific team not completing its proposed tour some citizens have been led to believe that the club has been disbanded. This is a mistake. Base ball games form one of the few amusement features North Platte has at its command and there are a sufficient number of people interested in the game to see that it is kept alive during the season.
