There has been considerable delay owing to the delay of material, but now that it has arrived, the work will be rapidly pushed, and by July 15th North Platte people can "hello" to inhabitants of both Maxwell and Brady. This line will prove a great convenience to the people of those villages as well as to those of this city and the gentlemen forming the company are entitled to commendation for their enterprise.

**Reception to Merchants.**

The Retail Clerks' Union gave a reception last evening to the merchants who acquiesced to the requests of the union for early closing hours. The ladies of the merchants and clerks were present, making a gathering that comfortably filled the First National bank hall.

August Hazencamp, president of the union, delivered the address of welcome and made very neat and appropriate remarks, which were responded to on behalf of the guests by E. B. Warner.

Entertaining features were selections by the mandolin club and vocal solos by Miss Blanche Weidmeyer and Phil Grady. The former did so well that she responded to an encore. The selection by Mr. Grady was of a descriptive and humorous nature, describing the experiences of a clerk who did not have a union card. Rev. Wimberly also made an address. Following the program ice cream and cake was served and an hour or more devoted to having a general good time. The reception was as pleasant as it was successful and will do much toward increasing the bond of good-will between employer and employe.

JOHN BRATT & CO.

Upon invitation of Mr. and Mrs. H. J. Hansen, living on the ranch north of the river, the Ladies' Aid Society of the Lutheran church spent yesterday as the guests of that estimable couple. There were thirty present, and that the day was passed in a delightful manner is the expression of every one present. Not the least attractive feature of the day was the bountiful lunch served by the host and hostess, which included turkey, ham, tongue, pickles, bread, cake and ice cream. This was so well prepared and nicely served that one lady reports that it was with some difficulty that the Rev. Mr. Seibert could be persuaded to come home—he wanted to "camp" continuously where such good things were found in such abundance. Those present feel greatly indebted to Mr. and Mrs. Hansen for pleasures of the day and for the genuine hospitality shown them.

The social held at the Doolittle residence last evening was attended by nearly two hundred members of the Episcopal parish and the affair proved a very pleasant one. The lawn was illuminated with Chinese lanterns, and Hart's orchestra furnished excellent music. An informal program consisting of a violin solo by Alvin Pool, a vocal solo by Miss Schmalzried and recitations by Miss Murphy and several children, was well rendered. Cake and lemonade was served. The object of the gathering was to promote greater sociability among the members of the parish, and this end was certainly attained.

Another invoice just received of the very latest things in stationery, box paper, invitation cards, envelopes, etc., at Doolittle's. They are exquisite. Come and see.

We have many cheap hill ranches and grazing land. If you want a good ranch location now is the time to get it.

FLOUR—Use Sundance, good as any \$1.10 flour, for \$1.00 per sack. Snowflake, good as any Minneapolis flour retailed at \$1.25, for \$1.10 per sack. Get our prices on 500 pound lots.

We Lead in Price and Quality.  
**W. F. McGlone.**

Residents of the First ward have been wrought up considerably during the past week over the actions of a peeping Tom. One young lady had the courage to discharge a fire-arm at the prowler, but unfortunately the leaden missiles flew wide of the mark. A liberal dose of lead would have a wholesome effect upon the individual who has been annoying the people.

**Statement of Foreclosure Cases.**

Clerk of the District Court Elder has rendered a statement of the cases in which Lincoln county began foreclosure proceedings for the collection of delinquent taxes, and from the statement the following is taken:

The forty-eight tracts of land bought in by the county will no doubt meet with a ready sale, in fact several tracts have already been sold. This land will be sold at low figures, and parties desiring any portion of it should examine the list, which will probably be published next week.

**Cheap Lots.**

Just listed with us for sale at \$75.00 for corners and \$67.50 for inside lots. These lots will sell quickly as they are bargains.

**Railroad Notes.**

Ninety cars of California fruit were iced last night and early this forenoon.

J. F. Ganson, foreman of the ice gang, has sent in his resignation to be effective July 1st.

The railroads estimate that 50,000 persons will take advantage of the Epworth League convention rates to San Francisco.

Several extra engine crews will probably be put on the early part of next week to meet the requirements of the change in running the engines through to Cheyenne and, which makes repooling necessary. Complaints come from up the road that the dagoes employed on the Union Pacific ballast gangs are killing all the prairie chickens that they can find. Each evening a gang starts out and generally brings in from six to a dozen old chickens.

It is announced that beginning next Monday the passenger engines and crews will run through to Cheyenne. The freight engines will also run through to Cheyenne, but the crews will stop at Sidney. This will make a number of changes in the assigned passenger runs and will result in the pooling of engines.
