## When You Buy Paint

### Buy Good Paint....

And that means SHERWIN & WILLIAMS' PAINT. We have been handling this make for many years and have found that it gives excellent satisfaction in every instance. It may cost a trifle more per gallon than inferior paints, but it's cheapest in the end. It sticks and holds its color longer than other paint.

We can furnish you any color or quantity.

It is natural for some people in business to BLOW. It is not our object to BLOW. give glowing descriptions, or make risky assertions in prices.

This is no circus bill and we have no red lemonade for sale. Plain facts go farther than fiction which will not bear investigation Our goods speak for themselves. flowery figures of price are necessary.
