Indians Here Tomorrow.

The Cheyenne Indians, who defeated the Union Pacifics in their home town last Saturday and Sunday, will arrive here tomorrow morning and play the local team in the afternoon at Athletic park.

While the Indians were victorious on their home grounds, it is no sure thing that they will win in tomorrow's game, for it is generally conceded that they do not play as stiff ball away from home as they do on their own grounds, and this is equally true of the local team.

Having seen both teams play we are confident the game tomorrow will prove one of the best of the season, and there should be a big turn out.

Loss Both Games.

The Union Pacific ball team went to Cheyenne Friday night and played two games with the team of that city and met defeat. In the first game the score stood ten to nothing, and in the second twelve to eight. In the first game young Glaze pitched and kept the Union Pacifics down to five scattered hits, while the Cheyennes touched Redmond for seventeen hits. Six of the ten runs made in the first game were earned.

In the second game Pendergast of Ogden was in the box for the Union Pacifics and kept the hits down to nine, while the Union Pacifics touched up Simmons for ten hits. The second game was lost in the eighth inning when the Union Pacifics went to pieces, and the Cheyennes got seven men around the bases. Up to that inning the score stood eight to five. The score by innings in the second game was—

Cheyenne 4 0 0 0 0 1 7 *—12
North Platte 0 2 2 1 2 0 0 1 0—8

REPUBLICAN PRIMARIES

The republicans of the First ward of the City of North Platte, Neb., are hereby called to meet at the First ward hose house on Thursday, August 22, 1901, at 8 o'clock p. m., to hold a caucus for the purpose of selecting six delegates to attend the county convention, to nominate precinct officers and to transact such other business as may come before them.

JOHN ALEXANDER,
D. H. WHITE,

Precinct Committeemen,

The republicans of the Second ward of the city of North Platte, Neb., are hereby called to meet at the court house on Thursday, Aug. 22d, at 8 o'clock p. m. to hold a primary meeting for the purpose of selecting fourteen delegates to attend the county convention, to nominate precinct officers and transact such other business as may come before them.

Geo. E. French,
Precinct Committeeman.

The republicans of the Third ward of the City of North Platte, Neb., are hereby called to meet at the Third ward hose house on Thursday, August 22, 1901, at 8 o'clock p. m. to hold a caucus for the purpose of selecting seven delegates to attend the county convention, to nominate precinct officers, and to transact such other business as may come before them.

W. C. Elder,
Precinct Committeeman.

Resolutions.

The following resolutions were passed at a recent meeting of the Retail Clerks' Union No. 475, of North Platte, Neb.

WHEREAS, Almighty God has deemed it proper to call forth our beloved friend and brother Sol Solomon, and

WHEREAS, He was a loyal member and worker for the good of the order, therefore be it

Resolved, That this Union extend its deepest sympathy to the bereaved family of our deceased brother. Be it further

Resolved, That a copy of this resolution be in the papers of our city, a copy to be sent to the members of his family, also a copy to be spread upon the minutes of this union.

BETWEEN THE RIVERS.

Dr. Farrer of Grand Island was the guest of E. F. Seeberger at Hershey over Sunday.

The annual hum of the threshing machine is wafted away upon the gentle breezes in this locality once more.

The third crop of alfalfa up this way is doing nicely and will soon be ready for the mower.

J. W. Alexander of North Platte visited a crew last Saturday that he has loading baled hay at Hershey.

R. W. Calhoun of Nichols is loading baled hay at the county seat from over south on the Cox land.

A large tonnage of hay has been shipped out of this country this season but there is plenty for home use left.

Roy Ericsson, who taught the Platte valley school last season, has been engaged to teach it again the coming year.

Miss Bessie Eshelman and Miss Jennie Ware have returned from the institute held at the county seat last week.

People in this locality are too busy at this time to do much going. Consequently the towns are somewhat dull at the present time.

At the republican primary for Nichols precinct held at Hershey last Saturday E. F. Seeberger, Sam Funkhouser and N. B. Spurrer were elected delegates to the county convention.

The boiler at the Nichols creamery has been repaired and the plant is running as usual again.

E. F. Seeberger of Hershey was at North Platte on business the fore part of the week.

Ernest Gibbon and family, who now reside near Spuds, expect to make a trip to Colorado by train in the near future.

M. R. Magnusen of the south side was at the county capital Saturday with a wagon load of melons for which he found a ready sale.

The sugar beet crop in the valley is on the boom and will be a large crop.

The corn and swine crop in this vicinity will pan out all right this season.

A number of country schools will soon begin business for the coming school year.

STATE NEWS.

Experts say that the corn crop in Dodge county—one of the banner corn counties in the state—will average about fifteen bushels to the acre.

A young son of Ed. Wurdeman living near Creston was thrown from a hay rake by a runaway team and had his skull crushed.

Farmer Satterly living south of Red Cloud fell backward on an oil can and the spout penetrated his abdomen causing injuries that resulted in death.

Game wardens in the vicinity of West Point have gathered in sixteen hoop nets, four seines, nine fish boxes and 100 trot lines.

The Gothenburg Independent in speaking of the corn crop says: the local rains during the week which have covered the greater portion of territory tributary to Gothenburg, have made a great change in the prospects of the corn crops, and it now looks as if Dawson county, on a very conservative estimate, will produce a yield of 15 bushels per acre. Many pieces will make from 20 to 30 bushels, while others will make scarcely anything except fodder. Late listed and irrigated corn promises an average crop.

Blow! Blow! Blow!

It is natural for some people in business to **BLOW**. It is not our object to **BLOW**, give glowing descriptions, or make risky assertions in prices.

This is no circus bill and we have no red lemonade for sale. Plain facts go farther than fiction which will not bear investigation. Our goods speak for themselves. No flowery figures of price are necessary.

**A. L. DAVIS,
THE HARDWARE MAN.**

Good Cheer.
Have you had a kindness shown
Pass it on,
'Twas not given for you alone
Pass it on,
Let it travel down the years,
Let it wipe another's tears,
Till in heaven the deed appears,
Pass it on.

General Headquarters, 96 Fifth Ave., New York City.
Nebraska State Division, Myrtle, Neb.
Colors, Yellow and White.
Flower, Coreopsis.
Song, "Scatter Sunshine."
All letters, packages or inquiries concerning Sunshine work should be addressed to Mrs. Adna E. Stone, Myrtle, Neb., and notices for publication should reach us not later than Wednesdays.

NOTICE

It has been reported by some of our members that they have been approached by men and women soliciting five, ten and fifteen cents in the name of the International Sunshine Society, pointing to the reports in the daily papers, and the page in the Ladies Home Journal, as telling of their work. The International Sunshine Society has no magazine of its own and is asking nobody to advertise in or subscribe for any publication called "Sunshine". The Ladies Home Journal and the daily papers report the news of the International Sunshine Society's meetings, and are the only publications with which the International is connected. Will members please bear in mind that such solicitations as mentioned above are scandals.

The Charlotte Michigan Branch of the International Sunshine Society is furnishing a sunshine bid for the Children's Home of Benton Harbor. The Brooklyn circles have endowed a sunshine room in a Long Island Hospital; Massachusetts is organizing a home for the aged sunshine men and women. Alabama has a circulating library and in many other states the work is being pushed with equal energy.

SUNSHINE MUSIC.

Have you a copy of the New York state sunshine song? Every member and every branch should know the words and music of "The Value of a Smile". "The thing that goes the farthest toward making life worth while, that cost the least and does the most good, is just a pleasant smile, etc".

CHORUS

"It's worth a million dollars and doesn't cost a cent."

It is the latest composition of Mrs. Joseph Fairchild Knapp, the honorary sunshine president of New York. The song is beautiful and you cannot but feel sunshiny after once singing it. Mrs. Knapp, who is now very ill, sent 15,000 copies of the music to headquarters 96 Fifth Ave., New York City, for disposition, the proceeds to be used in carrying on the Sunshine work. It costs but ten cents a sheet and you ought to have a copy.

Miss Ellen McCullough, presi-

dent of the Maxwell branch, has been sojourning at Dennison, Iowa, Miss Cozetta Hall, secretary, has been attending institute at North Platte. Nevertheless the M. B. has held regular meetings and they have been full of interest.

Mrs. Jas. Hudson of Gandy has passed on many magazines as dues for the month. Miss Lizzie Graf sent fancy work and papers to Harrington, Wash., Mrs. F. R. Hogeboom sent special cheer to the sick and lonely.

One year Ladies' Home Journals and two dollars were sent to a Gandy member from the Myrtle branch, while twelve other packages of good cheer were sent to different branches in the state for distribution. Many members report doing little deeds of kindness that we hardly think of after they have passed but which, after all, make no insignificant part of the sum of happiness.

Nebraska is to have a traveling library. We believe this will be a true sunshine act, giving many an opportunity of reading the later books that have not that privilege now. The only expense attached to this library will be in shipping books from one branch to another. Please remember that those books that have helped to make a summer day pleasant for you will be hugely enjoyed by some isolated member this winter, if you will only "pass it on."

The ministers of the denominations of Albion will each deliver a "sunshine" sermon as initiation fees.

Mrs. George Kendrick of Odell has been appointed president of Odell's Sunshine branch.

Will everybody who is doing sunshine work, and many who have never reported, please tell us of their way of bringing happiness into the lives of others, so their example may be followed and thus be the means of helping to spread the good cheer throughout the world?

Mrs. Alden writes that she sees this column regularly and it is full of good cheer, but let us try to make it better.
