Peale-Tiffany
Robert R. Peale and Miss Cora L. Tiffany were united in marriage Tuesday evening at the home of Mr. and Mrs. Ed Park. Only relatives and intimate friends were present at the ceremony. The bride and groom left on the midnight train for Cheyenne and from there will go to Denver and other Colorado points, returning home next week.

The contracting parties are well known and their large circle of friends will unite with us in extending best wishes.

Plead Guilty.
George Wrend, who was arrested about a month ago on the charge of burglarizing a Union Pacific freight car in the yards in this city, plead guilty to the charge before Judge Grimes sitting in chambers Wednesday and was sentenced to one year in the penitentiary. Sheriff Kellher left with his prisoner for Lincoln yesterday morning.

The goods taken by Reed consisted of bologna sausage and tobacco. He probably realizes now that he made a mistake in not working a half day and buying his sausage and tobacco instead of burglarizing the car.

Y. M. C. A. Notes.
Another fine present received! Mr. I. A. Fort, agent for Union Pacific land presents the association with one dozen pairs of fine maple dumb bells, and a dozen pairs of Indian clubs. The young men frequenting the rooms will appreciate this addition to the gymnasium.

The striking bag platform is being repaired and put up in good shape.

Mr. J. D. Tolman has repaired the heavy chest weights and they are now in fine running order.

The present membership is 342, the largest number in good standing in two years, and with a little help we hope to make it 350 by September 1st.

As the evenings are getting cooler the rooms are filling up. Young men can find a delightful place to spend an evening. Strangers especially invited. S.

Gov. Savage on the Bartley Parole.
LINCOLN, Neb., Aug. 27, 1901—As more or less controversy has resulted from my action in granting a limited parole to Joseph S. Bartley and as I desire that the public may have an intelligent understanding of the attending circumstances, I will state briefly the substance of the conditions upon which such action is based.

I was actuated in granting a parole, limited to sixty days, because I had knowledge that after Mr. Bartley's retirement from office he maintained that if given a year's time in which to realize on his arrangements, he would be able to pay the state every dollar due it. The fact that in a space of about forty days after he surrendered the office to his successor he had paid in over \$150,000.00, \$20,000 of which was paid on the day of his arrest, strengthened both by his statements, repeatedly made to me, that he would pay back every dollar of his shortage, and my belief that if given an opportunity at this time he would undertake to carry out his promises, with the object in view of relieving the taxpayers and of removing this painful account from the pages of the records after four years of expensive litigation from which not one cent has been recovered from either the principal or bondsmen, I granted the parole with the understanding on my part that he, Bartley, was to proceed to reimburse the state and in addition was to render an accounting of the funds lost in banks from which he was unable to recover, which materially reduces the amount published by the newspapers as having been misappropriated. Hundreds of people of various political affiliations had petitioned me to grant, not a parole, but a full and unconditional

pardon, and among the petitioners were many of our oldest and most respected citizens, but I was unable to justify in my own mind such an act and granted a parole for sixty days only, conditioned as above stated.

I have given Mr. Bartley an opportunity to right the wrong and my action as regards the extension of further clemency in the premises shall be conditioned solely upon his compliance with my requirements as herein set forth.

(Signed) EZRA P. SAVAGE,
Governor.
