### The Pool Concert.

The attendance at the concert given Wednesday evening by Alvin Pool, assisted by others of the city, was of sufficient size to fairly well fill the floor of the opera house. The audience proved an appreciative one, and the numbers on the program were received with an enthusiasm that called forth encores in nearly all renditions.

The two numbers by Mr. Pool were executed in a finished manner, and gave evidence of the rapid advancement which the young man is making on that grandest of all instruments, the violin. This writer believes that Mr. Pool as a violinist has a bright future before him, and at the expiration of his next year of study will be in a position to play in a satisfactory manner to the most critical audience.

A cornet solo by Earl Stamp so well pleased the audience that he was recalled. This young man handles the cornet in a very easy manner and produces exceptionally clear and distinct tones. Miss Jessie Bratt gave a brilliant execution of McDowell's Concert Etude in F Major, and was also recalled. A reading by Miss Furnas, who is a favorite with North Platte audiences, gave a reading that captivated her auditors and in response to hearty applause gave a second reading. Mrs. Milton Doolittle sang Robaudi's "Bright Star of Love" to piano and violin accompaniment by Miss Bratt and Mr. Pool. It was an excellent rendition. A violin duet by Robert Cary and Alvin Pool was well rendered. The opening and closing numbers on the program were by the Arion Octette.

Following the concert a dance was held, forty-two couples spending about three hours at this popular amusement.

Spurrier of Nichols and father of Iowa, spent the greater part of last week in Cheyenne county looking for a ranch which the old gentlemen could purchase for his son Richard, also a resident of Iowa. After a hunt of several days they found one for sale in Pumpkin valley in that county. It contains 1,200 acres of deeded land, a good irrigation canal, a fine house and barn and all other equipments necessary for an up-to-date ranch. Mr. Spurrier was well pleased with the plant. He has returned to Iowa and his son Richard will be here soon and it he thinks it all right a sale will be perfected at once.

### A Shocking Calamity

"Lately befell a railroad laborer," writes Dr. A. Kollett, of Williford, Ark. "His foot was badly crushed, but Backlen's Arnica Salve quickly cured him." ### Probable Candidates

THE TRIBUNE is not a prophet and cannot predict the men who will compose the fusion county ticket. It learns, however, from a city populist that his party seems willing to give two of the leading offices to the democrats. This being the feeling, there is strong talk of nominating R. L. Graves for county clerk and for treasurer the names of A. F. Strietz and E. D. Murphy are frequently mentioned. For sheriff Tim Kellher, while not an avowed candidate, would be willing to accept a third nomination, but it is said that Jake Miller will be a candidate for nomination, in which case Tim will probably be shelved. The populists argue that as Miller was twice elected to the office he can, after a lapse of four years, be elected again. For county superintendent E. Lance Jones, of Wallace, is the leading candidate and it is generally conceded that he will receive the nomination. John Grant has been mentioned as the candidate for county judge, and C. E. Nute, living north of Maxwell as the candidate for county commissioner.
