In the campaign the republican party goes before the people with an irreproachable candidate for supreme judge. There is no question but that Judge Sedgwick will receive a larger majority than did McKinley last year. Nebraska is in the republican ranks to stay.

It is said that next week will see the Hanna boom for president fairly afloat. During the Grand Army celebration a state dinner will be given at Hanna's home, at which the leading political leaders of the country will be present. It is believed that this function will witness Hanna formally put before the people.

With a steel mast 159 feet high, with a boom 117 feet long, with a spread of sail never surpassed by any single master among the competitors for the America's cup, the second Shamrock will give Yankee yachtmanship a thorough test. This is probably the fleetest challenger that ever crossed the sea. So much greater then, the glory if this country keeps the cup. But Sir Thomas is heartily welcome to it if he can lift it.

The following from the Fremont Tribune voices, we believe, the sentiment of ninety per cent of the republicans of the state: If Joe Bartley could pay back the state \$835,000 while on a sixty day parole he ought to be able to pay \$100,000 or \$150,000 without getting out of the penitentiary at all. If he is worthy the sentiment that is being wasted on him he will do something to relieve these men who pledged themselves for him and who are suffering about as much as he is from his defalcation.

WILLIAM JENNINGS BRYAN, with all his professed hostility for combinations against trade, has never said anything in relation to trusts so emphatic and unequivocal as the utterances of Vice-President Roosevelt at Minneapolis, remarks the Kansas City Star. To the notable political epigrams of the day must be added the declaration of Mr. Roosevelt that "we shall find necessary in the future to shackle cunning as in the past we have shackled force." The whole range of modern democratic literature might be searched in vain for a pronouncement more courageous than that on the tyrannical centralization of capital. It appears plain, even now, that if Roosevelt shall become the republican candidate for president in 1904, the platform will have to do a good deal more than to make a wry face at the trusts.

THE attention of the Kearney Hub, which has published columns galore about Kearney becoming a division terminal of the Union Pacific, is directed to the statement of Superintendent Baxter. The attempted efforts of the Hub and the real estate dealers to get up a boom for Kearney is knocked very flat by Mr. Baxter's statement, and the Hub will probably feel a little silly for having said so much.

THE Nebraska republicans took the right course in their state convention Wednesday and repudiated all responsibility for the leniency shown to the defaulting state treasurer. In the election of 1894 the republicans chose Joseph S. Bartley as state treasurer by a plurality of 30,000. He proved to be a defaulter and the state lost a large sum by his dishonesty. He was arrested, tried, found guilty and was sentenced to state's prison for a long term. But Governor Savage, who was elected lieutenant governor last fall and who succeeded to the governorship when Governor Dietrich was chosen senator, paroled Mr. Bartley soon after he went into office. His act has aroused much comment and bitter opposition in Nebraska. The republican party is evidently determined not to be held responsible for Governor Savage's course, and the state convention accordingly repudiated it by an emphatic majority. Governor Savage promptly responds to the rebuke by cancelling Bartley's parole and remanding him to the charge of the sheriff. This relieves Nebraska republicans of any burden in this matter.—Philadelphia Press.

Every woman in the country ought to know about Mother's Friend. Those who do know about it wonder how they ever got along without it. It has robbed childbirth of its terrors for many a young wife. It has preserved her girlish figure and saved her much suffering. It is an external liniment and carries with it therefore, absolutely no danger of upsetting the system as drugs taken internally are apt to do. It is to be rubbed into the abdomen to soften and strengthen the muscles which are to bear the strain. This means much less pain. It also prevents morning sickness and all of the other discomforts of pregnancy. A druggist of Macon, Ga., says: "I have sold a large quantity of Mother's Friend and have never known an instance where it has failed to produce the good results claimed for it." A prominent lady of Lambert, Ark., writes: "With my first six children I was in labor from 24 to 30 hours. After using Mother's Friend, my seventh was born in 4 hours."
