AN INNOVATION.

Elegant New Dining-Parlor Cars Between Chicago and Omaha on the Fast Mail.

These combination cars, which have been especially fitted up for service be-tween Chicago and Omaha at the company's shops, are run west bound from Chicago on Fast Mail, train No. 5, and east bound from Omaha and Council Bluffs on the Chicago Express, train No 4. They are artistic and handsome in lesign, and convenient in arrangement. They have all the features of a regular lining car and of a Pullman parlor car, the two being in separate compartments, and entirely independent one from the other. The dining compartment has a large kitchen and an uncramped seating capacity of fourteen at the dining tables. The parlor compartment is handsomely decorated, and is equipped with ten hanvily upholatered revolving with ten heavily upholstered revolving armchairs. These chairs are particu-larly comfortable, being of a new and special shape designed for these cars. As these trains make the trip across Iowa for the most part by daylight, this innovation in car equipment, in addition to its convenience for through passen gers, is especially advantageous for Omaha and Chicago passengers to or

from local points. Particulars as to this and other Illinois Central train service between Chicago and Dubuque, Sioux City, Sioux Falls, Council Bluffs and Omaha of your the shortest line between the two
