We Are Ready For The Verdict.

The speeches of the lawyers are not so important as the verdict of the jury.

Advertisements are the speeches. The goods are the evidence. Our ads are to induce you to examine the evidence.

The special evidence we would call your attention to is our line of Dress Goods, Underwear and Blankets.

All dry goods stores carry these lines but prices and quality are not alike in all stores.

We submit our growing list of satisfied customers as the strongest evidence that can be produced except the quality you always get here for the money you pay. Did you ever realize that you were paying some one else's debts as surely as though the bill was presented to you, when you buy goods of stores that do a credit business. It may be the amount of differences is only a few cents but it counts into dollars because it happens often. Don't be blind, examine the evidence, let your judgment be the jury.

We are ready for the verdict.

Store open evening until eight o'clock.

Forewarned, Forearmed.

The liability to disease is greatly lessened when the blood is in good condition, and the circulation healthy and vigorous. For then all refuse matter is promptly carried out of the system; otherwise it would rapidly accumulate—fermentation would take place, the blood become polluted and the constitution so weakened that a simple malady might result seriously.

A healthy, active circulation means good digestion and strong, healthy nerves.

As a blood purifier and tonic S. S. S. has no equal. It is the safest and best remedy for old people and children because it contains no minerals, but is made exclusively of roots and herbs.

No other remedy so thoroughly and effectually cleanses the blood of impurities. At the same time it builds up the weak and debilitated, and renovates the entire system. It cures permanently all manner of blood and skin troubles.

Mr. E. E. Kelly, of Urbana, O., writes: "I had Eczema on my hands and face for five years. It would break out in little white pustules, crusts would form and drop off, leaving the skin red and inflamed. The doctors did me no good. I used all the medicated soaps and salves without benefit. S. S. S. cured me, and my skin is as clear and smooth as any one's."

Mrs. Henry Siegfried, of Cape May, N. J., says that twenty-one bottles of S. S. S. cured her of Cancer of the breast. Doctors and friends thought her case hopeless.

Richard T. Gardner, Florence, S. C., suffered for years with Eczema. Two bottles of S. S. S. put his blood in good condition and the Eczema disappeared.
