**UNDERWEAR**

Why is it? That we sell more underwear than any two firms in North Platte. The reason is that we always see how good a garment we can get to sell for a price instead of seeing how little we can pay for one and get the same price out of it. There is difference in even 25 cent underwear. We pay more for an article to sell for a price than any firm in this city. That is why our goods at the same price are always the best. We are showing the truth of this statement to more people every day we are in business. Are you one of those that are still willfully blind to your own interests. Store open evenings until 8 o'clock.

**Scrofula THE OFFSPRING OF HEREDITARY BLOOD TAIN.**

Scrofula is but a modified form of Blood Poison and Consumption. The parent who is tainted by either will see in the child the same disease manifesting itself in the form of swollen glands of the neck and throat, catarrh, weak eyes, offensive sores and abscesses and oftentimes white swelling—sure signs of Scrofula. There may be no external signs for a long time, for the disease develops slowly in some cases, but the poison is in the blood and will break out at the first favorable opportunity. S. S. S. cures this wasting, destructive disease by first purifying and building up the blood and stimulating and invigorating the whole system.

J. M. Seale, 115 Public Square, Nashville, Tenn., says: "Ten years ago my daughter fell and cut her forehead. From this wound the glands on the side of her face became swollen and burst. Some of the best doctors here and elsewhere attended her without any benefit. We decided to try S. S. S., and a few bottles cured her entirely."

**SSS** makes new and pure blood to nourish and strengthen the body, and is a positive and safe cure for Scrofula. It overcomes all forms of blood poison, whether inherited or acquired, and no remedy so thoroughly and effectively cleanses the blood. If you have any blood trouble, or your child has inherited some blood taint, take S. S. S. and get the blood in good condition and prevent the disease doing further damage. Send for our free book and write our physicians about your case. We make no charge whatever for medical advice. THE SWIFT SPECIFIC CO., ATLANTY, GA.
