BLACKLEG IN CATTLE

is prevented by vaccination before the germ of the disease has entered the system. The success of vaccination depends upon proper dosage. Too large a dose will produce the disease while too small a dose will not render the animal immune. This problem is solved by Parke, Davis & Co. in their new vaccine in pill form which is injected through the skin. No mixing, filtering or time wasted and you don't have to spend a fortune to vaccinate your cattle. P. D. Co. book, "Blackleg and its Treatment," free.

When You Buy Paint

Buy Good Paint...

And that means SHERWIN & WILLIAMS' PAINT. We have been handling this make for many years and have found that it gives excellent satisfaction in every instance. It may cost a trifle more per gallon than inferior paints, but it's cheapest in the end. It sticks and holds its color longer than other paint.

We can furnish you any color or quantity.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years." You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudinous of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Price 50c. Sold by A. F. Streit, Druggist.

General Headquarters, 96 Fifth Ave. New York City. Nebraska State Division, Myrtle, Neb. Colors: Yellow and White. Flower: Coreopsis. Song: "Scatter Sunshine."

All letters, packages or inquiries concerning Sunshine work should be addressed to Mrs. Anna E. Moore, Myrtle, Neb., and notices for publication should reach us not later than Wednesday.

A NEW SUNSHINE MEMBER.

O. W. Neale of Sutherland became a Sunshine member by buying two tickets on the International silk quilt and passing one on to Roy Ross of Myrtle.

Members living in North Platte contributed clothing, reading matter, a cook stove, an oil stove, a cot and a cupboard during the last month.

Mrs. Mary J. Neary of North Platte will interest friends in Sunshine and later form a branch.

Mrs. Geo. Jokes of Hyanni writes she thinks the Sunshine movement a grand organization. It seems as if everyone could do something every day to help others to happiness by loaning a book or passing on magazines, etc.

The Myrtle division sent a package of cards and bright pictures as Christmas cheer to M. B. Mukluip, Sconia-Chapara, India.

Just now so many are asking me just what they can do to help the Sunshine movement that I am going to make a few suggestions. We are in need of all those lovely cards you received last Christmas, that are laid away in some box or book, emagazines, books. Then, if you do not know of any little boys or girls in your own town in need of a bright gift Christmas, we have some enrolled that are in need of cheer: A little, motherless girl, caring for six younger children, at Giltner loves pretty things but has had very little sunshine since her mother died, a little blind boy and many others. Just write and tell me what you have to pass on and I will tell you a place to send it. If you prefer to send sunshine in some other way, perhaps you would like to add your name to the state endowment fund giving regularly 5, 10, 15 or 25 cents a month to help defray the little expenses that are attached to the state work. Please write to me and write often telling me of the sunbeams you are scattering.

MRS. ANNA E. MOORE, Myrtle, Neb. State Pres., I. S. S.

Let us forget—the annual ball of the fire department will be held on Friday evening of next week.
