Y. M. C. A. NOTES.

First Aid class postponed to next Friday night.

Rooms open as usual all day and evening tomorrow.

C. P. Wimberly spoke with feeling and power to men last Sunday.

Many of our young men are home for Christmas that have been away for some time. The Y. M. C. A. is the first place they come to after seeing the folks.

The people seem determined to free the association of debt by the end of the year. How they are doing it: A prominent business man calls in and lays down \$15.00 renewing his membership for another year and takes away two tickets for his men as Christmas presents. A U. P. railroad foreman stops the Secretary on the street and renews his ticket to May, 1903. Members appreciating the Association are bringing in their friends, a number of them joining. Geo. Tekulve at the Yellow Front Shoe Store repairs striking bag free of charge. Warner the furniture man furnishes chairs to us free, so does Mrs. Federhoof. L. C. Mills gives two days work on the library. And thus it goes. Seven persons renewing at \$3 apiece will swing us clear of debt.

RAILROAD NOTES.

Bruce Stuart, assistant agent at Elm Creek, came up Sunday night and will spend a few days in town.

Car Tracer Fletcher, of the Swift Packing Co., was in town yesterday looking after stray refrigerator cars.

S. C. Mecomber, who had been in Omaha for several weeks as a member of the O. R. C. board of adjustment, returned home Sunday.

At this time last year there were twenty crews on the Third district of the Union Pacific; now there are ten. The decrease is due to the advent of the big engines, as last year the standard engines were in use.

It is rumored at Laramie that the shops of the Union Pacific at that place are to be opened in the near future. It is said that engines are continually breaking down between Cheyenne and Rawlins and that repair shops at that place are an absolute necessity.

We are in receipt of a circular from E. W. Gillette, general freight and passenger agent of the San Pedro, Los Angeles & Salt Lake road, in which he says: "It is not a 'pipe dream' about extending this road to Salt Lake City. It is a living reality. Just watch us expand."

When the electric lighting system is added to the equipment of trains No. 1 and No. 2, a present employe of the North Platte shops will be given a position as train electrician. His duties will be to ride the train from Omaha to San Francisco and look after the dynamo and the lights. He will have three days off at each end of the run.

Another wreck occurred on the Wyoming division at Buford Saturday morning, a light engine being run down by a fast freight drawn by two engines. The three engines were badly damaged, several cars derailed and the track torn up. Traffic was delayed ten

hours. Our former townman Supt. Park has been having considerable "grief" for the past several weeks.

CHRISTMAS DAY

Wilcox Department Store.

Clarence H. Philips of McPherson county was in town on a happy mission yesterday, that of meeting a young lady who later in the day became his wife. Mr. Philips lives on a ranch in McPherson county and he became lonely. He therefore advertised for a wife and in response thereto received a letter from Miss Herndon Stuart of Georgia. As a result of the correspondence Philips invited Miss Stuart to come to North Platte and become his better half. This she accepted and shortly after her arrival through the offices of Rev. Greenlee she changed her name from Miss Herndon Stuart to Mrs. Clarence H. Philips. Mrs. Philips is a petite, comely woman and we trust her transplantation from the fair land of Georgia to the sandhills of Nebraska may never be regretted.
