## BLACKLEG IN CATTLE

Is prevented by vaccination before the germ of the disease has entered the system. The success of vaccination depends upon proper dosage. Too large a dose will produce the disease while too small a dose will not render the animal immune. This problem is solved by Parke, Davis & Co. in their new vaccine in pill form which is injected through the skin. No mixing, filtering or time wasted and you don't have to spend a fortune to vaccinate your cattle. P. D. Co. book, "Blackleg and its Treatment," free.

## Sunday-schools and Churches Celebrate the Saviour's Birth.

With songs of praise and words telling of the birth of the Christ-child, the Sunday-schools and churches of North Platte joyously celebrated the anniversary of that great event. Below are appended the programs as rendered:

At seven o'clock Christmas morning regular services were held at the Lutheran church. The attendance was very large and the services were entered into with a spirit of gladness. The choir rendered music appropriate to the day, and the pastor spoke on "Lesson from Manger."

The Lutheran Sunday-school held its exercises at the church Christmas evening. A tree was in evidence and from this gifts were distributed to the children. The program, which was well rendered before a very large audience consisted of an anthem by the choir, responsive readings and prayer, several songs by the school, several class songs, a duet by Marie Brodbeck and Hattie Friend, solo by Ruby Sorenson, a candle exercises by Gertrude Dill, Levi Bird, Evelyn Hansen, Roy Seibert, Stella Johnson and Paul Scharmann. Recitations by Chas. Thompson, Hazel Luerk, Anna Pohlmer, Theodore Sandall, Helen Minsball, Marston Van Doran, Mary Deering, Fay Canning, Gilbert Peters, Edith Seibert, Myrtle Dowhower, Arthur Tramp, Jennie Sandall, Hazel Sandall, Hansel Rodine, Anna Steinhansen, Frank Distel, Mabel Burke, Dorothea Johnson, Alma Waltemath. In this program the little people acquitted themselves very creditably.

At the Catholic church Christmas forenoon three masses were held at six, eight and ten o'clock.

The choir rendered Fisks mass in F. in a manner that called forth many words of commendation. This mass is of a high class, and the most difficult one the choir has ever attempted but through diligent work and frequent rehearsals it was very successfully rendered. In the evening the Sunday-school held its Christmas exercises at the school building, at which a program of songs and recitations was rendered in a very creditable manner. Following the program gifts were distributed from the tree.

At the Episcopal church early service was held at eight o'clock, and at 10:30 regular service was held. Both services were well attended. At the later service the choir rendered a program of special Christmas music which included a violin solo by Alvin Pool and an organ solo by Organist Doolittle. The music was highly complimented. The sermon by the rector was appropriate to the day and a most earnest one. The Sunday-school will hold its exercises this evening. At five o'clock a turkey supper will be served to the children at the Unitarian hall, and later a program will be given at the church, followed by a distribution of gifts.
