**Innes' Band.**

Innes' Band, one of the greatest musical organizations in this country will give a concert at the opera house in this city on the afternoon of February 13th. The Washington Post of Jan. 6th says: The band itself was all that could possibly be expected. In all that pertains to delicacy, as well as tortissimo effects in band music Innes is a master of his profession. His selections are chosen with a careful regard to good taste. He never descends to the level of the fakir. His light musical numbers are dainty and popular without being vulgar, and when he renders a rag-time number, as he does now and then for an encore, it is with an effect that raises the composition out of its commonplace setting and gives it the charm of a refining process.

**BETWEEN THE RIVERS.**

A remonstrance from Nichols precinct against forming a district in which to vote bonds to erect a bridge over the river north of Hershey was filed with the county commissioners at the county seat last week. It contains the signatures of a large number of the voters in that precinct.

It is reported that H. B. Reed lost several head of old cows in the late storm. They were located on the W. O. Thompson farm.

The bonding of the county in the sum of \$75,000 with which to erect a new court house is meeting with considerable opposition for various reasons in this part of the county.

The recent snow and cold wave put a stop to corn shelling and hay baling for several days.

The following members of the Loyal Mystic Legion of Hershey by invitation, visited the North Platte order on Tuesday evening last where they were tendered a banquet: Mr. and Mrs. J. K. Esleman and daughter Bessie, Mr. and Mrs. A. F. Beeler, Mrs. Wm. Eves, F. C. Calloway, I. Ware and D. B. White. The inclemency of the weather detained several others from attending. They all report a pleasant time and returned home

feeling that their time was not idly spent.

On Wednesday of this week J. H. Hershey delivered to J. Habler, proprietor of the Central meat market at North Platte, twenty-seven head of steers that he had fattened on his ranch in the valley and sold to Mr. Habler a few days previous. They were coming two years old and were the finest herd of their age ever driven out of western Nebraska. North Platte people who purchase their meat at that place will get something fine for their table.

Bob Atkinson, who has been looking after H. B. Reed's cattle in the valley for some time past, departed Tuesday for his home at Cambridge.

W. A. Hoover recently purchased eight head of horses of Sumner Jones of the north side.

Samuel Harris, who is quite aged, left Wednesday night for an extended visit with a brother and sister at Duquesne, Ill, whom he has not seen for over fifty years.

**DICKENS DOINGS.**

Mr. and Mrs. Roy Rafferty of Wellfleet were visiting at the home of W. A. Latimer, Mrs. Rafferty's father, the first of the week.

H. R. Mercer, Ed Polzel, John Hublitz and Augustus Latimer visited North Platte Monday and Tuesday.

Sheriff Carpenter was in our town on business Wednesday.

Dan Joliff is talking of going to California with his family in the

near future.

John Staley and son Robert are preparing to move their cattle soon to a ranch in the hills north of town.

There will be another entertainment at the school house soon. All are invited to be on the look out for it.

Eight head of cattle were killed west of town Saturday evening by the west bound train. The cattle had gone into the cut for shelter from the storm. Saturday was a hard day on cattle in the hills as many ranchmen have no shelter for them and when a snow storm comes the cattle go to traveling and many times go to destruction.

John Schweinhart, who has been retired on a pension by the Philadelphia & Reading, has been a locomotive engineer on that road since 1869 and enjoys the record of never having had an accident in all those thirty-two years. When the hazardous nature of the engineers occupation is argued, this history may be cited in rebuttal.

Never before has such a large and expensive attraction as Henry's Big City Minstrel Aggregation of fifty all white performers appeared in the small cities. The reason for appearing here on next Tuesday night is to fill a spare date en route from Salt Lake to Omaha and from there east to New York City for their usual spring run.

Dr. P. T. Chadwell, Osteopath, will permanently locate in this city February 1st. He is a graduate of American School of Osteopathy.
