MONDAY—Address to catechumens confirmed during the past five years, and to such as are considering uniting with the church.

WEDNESDAY—General service at which we hope to see the entire membership of the church present. This meeting ought to help greatly to develop the spiritual life of God's people and to bring sinners to Christ.

FRIDAY—Men's meeting. The men remember the last year's services with pleasure. This year we hope to make them better. Special music such as solos and quartettes are now being arranged for. Fred Westenfeld will be the organist. A different leader will be in charge of the meeting every week. The pastor will deliver short addresses.

PALM SUNDAY—Confirmation of catechumens who have been under instruction since fall and who will now meet every Wednesday and Saturday afternoons.

HOLY WEEK—Service every evening. The thought of the meetings will be the one appropriate to the season—The Passion of Christ.

EASTER—The celebration of the Holy Communion. All interested in our holy religion are most cordially invited to all the services. Strangers are never intruders with us. The pastor would be glad to make the personal acquaintance of any such as may come.

There can be but one Monarch

In the realm of canned goods. The Monarch brand has no rival, being the king of all. After a severe can cutting contest in Chicago a few ago the result was overwhelmingly in favor of Monarch. These goods are tempting to the palate of the most exacting and can be obtained of

W. F. McGlone

MONARCH KETCHUP—Put up from fresh, ripe, tomatoes, every bottle warranted to be superior to any found in the United States, barring none. Pint bottles 25 cents. 1/2-Pint bottles 15 cents.

Sweet, white, and tender. To those used to the ordinary corn of commerce, this corn will be a revelation. To all such we say try it and ever afterward use

Monarch. 15 cents a can.

They remind you of the flower. The delicious suspicion of sweetness of Monarch sweet peas is responsible for their popularity. 20 cents per can, 2 for 35c. We also have

Monarch Handsome Peas for 20c per can, Monarch Early June Peas 20c and Marrowfat Peas at 15 cents.

Solid full of ripe red tomatoes. There are tomatoes that cost less money but there is sure to be some

drawback in quality that really makes them more costly. Except Monarch in none that we have ever seen is combined every excellence. 20 cents per can

Strawberries sweet and luscious. The Monarch extra strawberries are put up in a very heavy syrup, almost preserved; they have a remarkably natural appearance and flavor, and served with cream are a rare delicacy. 25c a can.

All claws and tails. The neat part of a lobster is its claws and tail. The Monarch

brand is canned only from these parts, no smaller pieces whatever. The results justify the trouble judging from the popularity of Monarch Lobsters.

Picnic 20c, two for 35c. 1-lb size, flat or tall cans 35c. Monarch is the best; there are none others just as good, and we have a complete line. There are not many things canned but what we have.

Lent Begins Feb. 12th.

Watch this space next week and we will have a fish story to tell you.

Jesse Fleharty, who was seriously injured at Boise City, Idaho, last week, is improving, and is now considered out of danger. Mr. Fleharty, who is proof reader on the Daily Statesman, was returning home from work about two o'clock in the morning when he was attacked by foot pads, knocked senseless with a brick and robbed of sixty dollars.

Howard Palver was fined one dollar and costs Thursday for assault. Lewis Patterson was the complainant. Palver plead guilty. —Kearney Hub.

Young man! Do you want to know anything about a locomotive? We have a book that will give you that information. Ask the Secretary for a book by Stahl. What a young man ought to know.

Moore Mitchel returned yesterday from a visit in the east part of the state.

The examining board of the U. P. expect to reach this city in about two weeks.
