TUESDAY, FEB. 18, 1902.

DR. F. W. MILLER, GRADUATE DENTIST.  
Office over Streit's Drug Store.

C. M. Gannell of Paxton is doing business in town today.

H. S. White went down to his ranch at Overton this morning.

Rev. Beecher will hold services in Ogalalla next Thursday evening.

The county commissioners will meet in session on Monday of next week.

E. A. Thornburg left this morning for Beaumont, Texas, where he will probably locate.

Dr. Dennis reports the arrival of a girl baby at the home of Mr. and Mrs. E. E. Hubartt last night.

The directors of the base ball association will hold a meeting at the Commercial club rooms this evening.

Dr. F. W. Miller leaves in the morning for Ogalalla where he will attend to the dental wants of the people for four days.

Mrs. Bert Gould, whose husband is now a section foreman on the Oregon Short Line, is expected to arrive in town tonight.

The Presbyterian Ladies' Aid Society will meet with Mrs. W. H. McDonald on next Thursday afternoon at the usual time.

Joe Fillion and Walter Vroman, who had been visiting their parents for a few days, returned to Cheyenne Sunday afternoon.

Secretary Sheppard will attend the Y. M. C. A. state convention which meets in York Thursday and remains in session two or three days.

H. S. Ridgely has received a limited supply of garden seeds from Washington. Farmers and others are invited to call and get them.

A sister of Frank L'opus, former agent at Hershey, but of late stationed at Egbert, Wyo., died a couple of days ago at the latter place and the remains taken east for burial.

Wm. Edis completed putting up 600 tons of ice last Saturday, which he says is over a foot thick and as clear as a crystal. His son Levi will conduct the ice business the coming season.

W. H. Gould has been seriously ill for quite a time, and at times becomes unconscious and remains in that state for an hour or two. The trouble comes from a wound he received in the war of the rebellion.

Jim McEvoy went to Cheyenne last night. The young man will complete his time in the U. P. blacksmith shop in about two months, and has a desire to then secure a position in the Cheyenne shops.

Willads Hansen on Saturday sold to the Payne-Knox Co. of Omaha 320 acres of land north of the river for ten dollars per acre. This tract was formerly known as the Lindsay ranch and is suitable for alfalfa raising.

The total collections of taxes for the month of January at the county treasurer's office was \$65,736.88, which is the largest on record for that month. These collections included two years' taxes on lands held by the Union Pacific.

Messrs Payne and Sumner of Omaha were in town Saturday looking for land suitable for alfalfa growing. There is a growing demand for alfalfa land by non-residents who realize the immense profits accruing from that crop.

Bucklen's Arnica Salve.  
The best and most famous compound in the world to conquer aches and kill pains. Cures Cuts, Burns, Bruises, subdues inflammation, restores Piles. Millions of Boxes sold yearly. Works wonders in Boils, Ulcers, Erysipelas, Eruptions. It cures or cures 25c at Streit's drug store.

Not much improvement is reported today in the condition of Mrs. H. J. Clark.

Two 1700 class engines which had been running on the C. P. have been brought to the Nebraska division, and it is said others will follow.

A ball player named Staub came down from Cheyenne yesterday and will play with the local team this season if he can secure work of some kind. The Cheyenne fans highly recommend him.

One of Harrington & Tobin's delivery teams took a spin around the block at noon today and crashing into a telephone pole broke it off. In the melee the wagon was somewhat demoralized.

E. F. Saeberger, who is placing contracts for sugar beets, says that 600 acres have been contracted for in Lincoln county and he feels satisfied that the total will reach one thousand acres, as applications are being made daily. One man applied yesterday for a thirty acre contract.

Quite a few cars of poultry are being shipped west over the Union Pacific, a large part of which is diverted from San Francisco to points in Alaska and the Philippine Islands. The poultry trade with these territories is increasing and has resulted in an advance in price.

Corn in the Chicago market has dropped about nine cents, yesterday's prices averaging sixty-two cents. Ditch farmers, however, sold corn in this city for sixty-five cents, all of which goes to show that North Platte is a better corn market than Chicago. Stand up for North Platte!

Wanted to buy—Fifteen head of coming two-year-old Galloway Bulls.  
MAX BEER.

Up to yesterday 1,532 acres of sugar beets had been contracted for by the Grand Island factory, and the local officials have the hope that 5,000 acres—which is the number required to have the factory operated—will be secured. If this acreage is not secured the beets will be shipped to the Norfolk factory.

If the threatened divorce of the Union Pacific and the Northwestern road becomes a fact, it is generally thought that the Northwestern will build a line from Fremont up the Platte valley to Lexington and thence southwest to Denver. If the road is built west to Lexington why not continue it to North Platte, thence to Denver?

**Remember the Maine.**  
"Remember the Maine," Lincoln J. Carter's great melodrama of the late Spanish-American war, will be seen at the opera house next Thursday evening, Feb. 20th, for the second time in this city. It is a play in four acts, the first shows the arrival of the battleship Maine in Havana harbor, the second act shows the blowing up of the Maine, the third the old wine cellar and the fourth the battle of Manila showing Dewey's famous victory. A carload of special scenery is carried which is so constructed that it can be used on all kinds of stages, therefore the patrons of the play can look for a faithful presentation of the popular drama.

**Revival Meetings.**  
Evangelist Samuel Gregg of Lincoln is conducting a series of revival meetings at the Unitarian hall for the Christian church. Mr. Gregg informs us that it is his purpose to permanently establish the church here and locate a pastor before leaving the field. The public press has the following among other things to say of the Evangelist:  
Evangelist Gregg presents the gospel in plain terms, yet in the Spirit of Christ and studiously avoids sensationalism, calling upon men to hear, reason, believe and obey the plain terms and conditions of salvation. He is a strong and able speaker, and one who touches the mainspring of life in the throbbing, longing heart of universal manhood with cheerful words that come like radiant visitors of hope, thrilling the heart and inspiring men and women to nobler and holier life.—LeSueur (Minn.)
