The subject of Dr. Hatch's lecture will be queer people, which is highly commended by the press and the public. In speaking of this lecture the Denver Republican says:

Rev. F. A. Hatch delighted his audience for nearly two hours with "Queer People"—not the queer people that inhabit fairy land and interest babies, but the queer people of this every day world. He enlists the interest of his hearers with the opening sentence and held their attention to the very end.

Preceding and following the lecture several musical numbers will be rendered and Abbie Patterson will recite.
