Two engine inspectors will also be hired.

The helpers and laborers have all been secured, but some trouble is being experienced in securing the needed mechanics, as there seems to be a scarcity of machinists and boilermakers all over the country.

BETWEEN THE RIVERS.

YELLOWSTONE NATIONAL PARK.

One of the most delightful spots on the American continent and more easily reached via the Union Pacific than via any other line, is the Yellowstone National Park. The stage ride from Monida by the palatial Concord coaches of the Monida & Yellowstone Stage Company is through scenery hardly inferior to the Park itself.

Side trip from Ogden, Utah, or Pocatello, Idaho, via Monida and Monida & Yellowstone Stage Co., in both directions, will be furnished holders of all tickets (one way first and second class, regular tourist, or special round trip excursion tickets), sold at Denver, Cheyenne, and points east, passing through Ogden or Pocatello to points in the states of California, Nevada, Oregon, Washington and that part of British Columbia lying north of the state of Washington, upon application to O. S. L. agents at either Ogden or Pocatello, at the very low rate of \$49.50.

This rate will include rail and stage fare covering seven and one-half days trip, including all meals and lodging beyond Monida.

Full information cheerfully furnished upon application. E. H. GENGE, Agent.

A great deal to do with what is the style in fine tailoring and the fit of a fine Prince Albert, cutaway or sack coat, as well as the fit of a suit, is always perfect when made by an artistic tailor. When a man wants to look swell and be correctly dressed he never fails to get fitted for his coat and trousers by cleaning and repairing a specialty.

General Headquarters, 95 Fifth Ave., New York City. Nebraska State Division, Myrtle, Neb. Colors, Yellow and White. Flower, Coreopsis. Song, "Scatter Sunshine."

WHEEL CHAIR CIRCLE FOR LINCOLN COUNTY.

The object of this circle is to purchase an invalid's wheel chair to be the property of the International of Lincoln county. As soon as it fulfills its mission in any one place it will be sent to any other member in this county in need of it. Just now Mrs. A. E. Pease, of Myrtle, is sadly in need of such good cheer.

Having lost the use of her arms and limbs from a paralytic stroke, she is obliged to spend the days in a chair that affords little comfort to one in such circumstances. Those wishing to help the movement should address all contributions to Mrs. Anna E. Moore, State President I. S. S., Myrtle, Neb., who will promptly acknowledge and receipt same.

It is now a little over a year since

the first Sunshine column appeared in THE NORTH PLATTE TRIBUNE as a regular department of the paper. At this time the Tribune division had one branch, with a membership of sixty, while now there are the following branches: North Platte No. 1 Mrs. Max McGrew president, North Platte No. 2 Mrs. W. C. Elder president, North Platte No. 3 Mrs. Mary Neary president, Myrtle No. 1 Mrs. Anna E. Moore president, Myrtle No. 2 Miss Lottie Fuller president, Maxwell No. 1 Miss Cozetta Hall president, Nesbit No. 1 Mrs. G. E. Bolkom president, Tryon No. 1 Mrs. Geo. A. Dolph president. The membership in this division numbers 300.

THE TRIBUNE gives us space without price, while we gladly furnish the news. Sunshine is as free as air, and no officer of the International is paid a salary for her services. Neither is any member taxed or assessed for annual dues in any form of money, unless members so desire to have it. The membership and dues are kind acts and the work of Sunshine is supported by voluntary contributions. Money received for wheel chair: Mrs. Ben Wilson 25c, Zola and Violet Wilson 5c, Mrs. Lute Gambrel 25c, W. A. Lane 25c, L. Pease 25c, Anonymous 21c.

North Bend elected a wet mayor by only three majority. The margin in favor of the licensed saloon is still a very narrow one there.

Walks Without Crutches.

I was much afflicted with sciatica writes Ed. C. Nud, Iowa, Sedgwick Co., Kansas, "going about on crutches and suffering a deal of pain. I was induced to try Billard's Snow Liniment, which relieved me, I used three 20 cent bottles. It is the greatest liniment I ever used; have recommended it to a number of persons, all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c and \$1.00 at A. F. Streit's Corner Drug Store.

Mr. and Mrs. C. A. Moore are the proud parents of a girl baby.

W. S. Ross was calling on all of his friends in Myrtle precinct last week and finding out what each one owned.

A. E. Moore transacted business in North Platte Friday.

A number of ladies invaded the lodge room of Camp 9712, M. W. A., of Myrtle April 1st and treated the camp to a good supper.

Sixty-five Brule and Ogalalla Sioux Indians will leave the Pine Ridge agency in a day or two for New York where they will be used in the Wild West show.

In the recent A. O. U. W. contest between the state of New York and Nebraska to see which could show the largest gain in membership within a given time, Nebraska won by a score of almost two to one. New York showed a gain of 1,181 members, while the increase in Nebraska was 2,252, a difference of 1,171.
