"Just as good as Spalding's" is it? Don't you know that is the best praise a competitor can bestow on Spalding's sporting goods? He recognizes that Spalding's articles are standard. Doolittle keeps the Spalding goods because they are the best.

THE TRIBUNE'S statement that a deficit might occur in the finances of the school board for the coming year was not quite correct. It is true that the funds received from the present yearly taxation and the saloon licenses are insufficient to pay the operating expenses, yet the back taxes which are being collected will prevent a deficit for probably two years. This of course is contingent on the back taxes being paid as rapidly in the future as they have been in the past. At the end of two years, however, in order to meet the school expenses, a raise in the assessed valuation of the district must be made or the expenses curtailed.

Talk about clean walls, everybody can have them all the time at very little expense with Wall Paper only 5 cents a double roll. Newton has it at that price.

During the past two or three days there has been a marked increase in the number of cars in transit.

General Manager Dickinson, Supt. Baxter, Supt. Buckingham and Division Master Mechanic Jarnum were in town Wednesday forenoon looking over the Union Pacific's interests.

Rev. W. J. Cruseu has returned from Omaha where he went to see if he could get his lay-off as engineer extended. Supt. Higgins refused to grant him further time, and up to last evening he was undecided as to whether he would quit the service of the company.

While in town Wednesday, General Manager Dickinson of the Union Pacific, in company with Mayor Walker, visited the north side and inspected the nuisance created by the overflow of water from the company sewer. Mr. Dickinson said that he would have the matter attended to at once. The present sewer is too small to convey the water coming from the round-house and shops, and as a result lots adjacent to the sewer are flooded. The sewer will be enlarged and the nuisance thus abated.

Beauty and Strength are desirable. You are strong and vigorous, when your blood is pure. Many—nay, most—women, fail to properly digest their food, so become pale, sallow, thin and weak, while the brightness, freshness and beauty of the skin and complexion depart. Remedy this unpleasant evil, by eating nourishing food, and taking a small dose of Heibine after each meal, to digest what you have eaten. 50 cents at Streitz's corner Drug Store.
